CHANGING TO

## STRICTLY CASH BASIS

ON OCTOBER 1 we are changing to a STRICTLY CASH BASIS and will sell no more goods on CREDIT after that date. All kinds of Produce will be accepted same as Cash.

Every REASONABLE and SENSIBLE person knows that in the long run this will be a much better for BOTH my CUSTOMERS and myself for I can sell my goods MUCH CHEAPER and yet have more clear profit, as it will save the big expense of Book-keeping and Book-keeping supplies, cost of making out accounts and mailing them, and the BIGGEST LOSS of all, in BAD DEBTS and loss of interest on overdue accounts.

Further arguments in favor of the Cash System is unnecessary as EVERY ONE KNOWS we can SELL CHEAPER for CASH than on Credit and we are going to do so. Watch for ANNOUNCEMENTS of SPECIAL CASH SALE prices later. We will prove that we will SAVE YOU MONEY.

## BAPTISTS AT EAST FLORENCEVILLE

Annual Meeting United Baptist District No. 2

Delegates from the churches of District No. 2 held their annual meeting with the East Florenceville church from Friday night, Sept. 22 to Sunday. All the pastors from the churches were present in addition to many other delegates.

Rev. E. A. Trites, who has been president of the district for the past four years was in the chair and called the meeting to order at 7.30 and after a song and prayer service, introduced Rev. W. D. Wilson, secretary of the Alliance of N. B. Mr. Wilson claimed that the Prohibition Law was capable of enforcement and urged all present to assist. He also made a strong protest against the change in the law which makes the Government a financial partner in the greatest sin of our nation. Later in the convention a resolution was passed requesting the Federal Government to amend its law so as to prevent the importation and exportation of liquor to and from New Brunswick. Following Mr. Wilson's address, Rev. Lewis Wallace, son of one of our pioneer home missionaries of the Maritime Provinces, who holds the position of Pastor at Large under the Home Mission preached an eloquent sermon on Individual Responsibility. On Saturday morning at 9.30 the meeting was opened with a Devotional Conference led by Rev. C. N. Barton, who brought a message of great inspiration. After this the roll of churches was called and the delegates told of the present condition of the church and progress made during the year. Most of the reports showed a very inspiring character and showed splendid success.

In the afternoon session the following officers were elected: President, Rev. C. N. Barton, Victoria; vice-president, Geo. Boyer, Bristol; clerk, Rev. L. E. Ackland, Woodstock; treasurer, B. E. Smith, E. Florenceville; Bell, Florenceville and Trites were added to make up the executive committee. A finance committee was elected under the presidency of F. L. Atherton and a Home Mission committee under the chairmanship of Rev. M. A. Trites.

Frank Albertson presented the financial report, which showed a falling off in contributions during the year, leaving the district delinquent in its contribution to Denominational Work to the amount of \$348; \$2786 had been paid and only 12 churches out of the 25 had paid their full allotment.

Mr. Albertson's report was met with a strong effort to be made this year to bring every church up to the Honor Roll.

After the business R. B. Wallace, chairman of the Home Mission Board of the denomination, gave an address on the work of the Board. Mr. Wallace spoke of the great lack of men for the ministry, leaving the Holy Spirit in the church and individual. A most interesting testimony meeting was held in which a large number of delegates took part. On Sunday morning Frank Sloat of Centreville conducted the Devotional meeting at 9.30. After his helpful address on the condition of a revival there was held a very enthusiastic testimony service in which nearly all present took part. At 10.30 the congregation gathered, filling the church, to hear the annual sermon preached by Rev. L. E. Ackland. This was the high water mark of the whole meeting. The subject was "Noah—a preacher at righteousness." Mr. Ackland showed the apparent failure of Noah's preaching and work and suggested some reasons for the condition. The sermon made a profound impression upon the audience and closed a convocation which was most inspiring and helpful.

The choir rendered special music at all evening sessions.

J. W. DOUCETT DIES SUDDENLY

The community was profoundly shocked to learn of the sudden death of J. Walter Doucette, a man who has been a familiar figure in the town and county for more than sixty years. Mr. Doucette was engaged to pick up potatoes for W. N. Raymond at Middle Simonds. In the early morning he complained of a slight indisposition but went to the field to work. When he did not return for dinner search was made and he was found sitting under a tree dead. Death was likely due to heart failure. He was 77 years old and was born at Deer Island. His name here with his parents when a small boy and has lived in this vicinity the greater part of his life. While he was a man of peculiarly eccentric nature he always had the respect and good will of those who knew him. He had all his life time been a hard and willing worker at whatever his hand found to do. For many years he acted as a salesman in the local stores and in his prime there was none better. His wonderfully generous and open-hearted nature was an outstanding characteristic and always he would cheerfully share his last dollar with any person whom he felt needed it as much as he. Walter Doucette leaves many friends in Hartland who will remember him with respect and kindness.

About 26 years ago Mr. Doucette married Miss Mary Hobbs of Knowlesville, who died about two years ago.

He is survived by one sister, Mrs. C. A. Lewis of Benton. The late Henry Doucette, Leonard Doucette and Mrs. C. T. Phillips were brothers and sister.

The funeral was held at Hartland at the United Baptist church and was largely attended. Rev. E. A. Trites preaching the sermon. The remains were laid to rest at Knowlesville where his parents, brother and wife were buried.

## CALDWELL IS MAKING SHOWING

Earnest Effort to Secure a Market for Our Farmers is Likely to be Successful

Ottawa, Sept. 24.—T. W. Caldwell, M. P., who is in the capital in connection with his scheme to assist in marketing the potato crop of New Brunswick, called on the deputy minister of trade and commerce this morning to ask the assistance of that department to ascertain the possibilities of developing trade with Florida and other southern coast states with the result that the deputy minister dispatched the following message before Mr. Caldwell left his office:

"The Hon. the Minister of Trade and Commerce, 44 Whitehall Street, New York:

"Important: please arrange yourself or send Palmer to Woodstock, N. B. to meet shippers of potatoes and hay on Tuesday, Sept. 26, in order to obtain full information with regard to export business, and thereafter proceed to southern states ports to investigate possibilities of extending trade there. Matter urgent. Report to O. R. Batey, Woodstock, N. B. Please wire confirmation.

(Sgd.) F. C. T. O'HARA, Deputy Minister Trade and Commerce."

The department of public works also approved of Mr. Caldwell's request for a frost-proof warehouse at West St. John today and issued an order to have work on same, commenced at once with a view to having it completed by November.

Mr. Caldwell has also been in conference with C. P. R. officials with a request that they should absorb the terminal charge at St. John of three cents per hundred pounds on potatoes for export and is in receipt of the following telegram:

Ottawa, Sept. 23, '22.

T. W. Caldwell, 97 Metcalfe Street.

We are agreeable absorb cost of no-loading.

(Sgd.) E. N. TODD, Gen. Mgr. C. P. R.

Mr. Caldwell is to have a further conference with the officials of the Canadian Government Merchant Marine in Montreal on Monday with regard to putting some of their vessels on between St. John and southern ports to handle shipments of potatoes and hay and hopes to get satisfactory arrangements made. Mr. Caldwell deserves commendation for his energy and perseverance in the above matter and is to be congratulated on the success that has attended his efforts to relieve the very serious condition of the potato market.

## SCHOOL FAIR WAS A BIG SUCCESS

The annual School Fair held on Monday afternoon was attended by a large number of parents and other interested people, and without exception the exhibits were most creditable.

Mr. McDougall of the Department of Agriculture was assisted in judging by local people and not only were there the usual number of prizes but some exhibits were so worthy and unusual that a number of special prizes were awarded. The work of the very finest pupils was most pleasing, the cooking, preserving, fancy work and various forms of hand work being very prizing to the older ones. The prize list is so long that The Observer will list it in no more than a few lines. The first prizes, and that is most unfortunately forced to stand over until next week on account of the pressure of space.

## WINTER TIME TABLE IN EFFECT OCT. 1

The winter time table of the C. P. R. will go into effect on Sunday next and commencing on Monday trains will depart from Hartland at about the following times by the town clock: Northbound express, 2.20; southbound express, 3.25. The mixed train to and from Woodstock will run practically the same as at present.

## WIFE OF METHODIST MINISTER DEAD

Friends of Rev. Charles Flemming, of Andover will sympathize with him in the death on Tuesday evening of his wife at their home at Andover after an illness extending over three years. The funeral will be held this afternoon, and a more complete account will be printed in the next issue.

## LORD BISHOP HERE ON SUNDAY

His Lordship Bishop Richardson will be the preacher at Holy Trinity at 11 a.m. and 7.30 p.m. on Sunday, Oct. 1. There will undoubtedly be a large congregation to hear this most eloquent speaker and a most cordial invitation is extended to all to come and hear him. His Lordship will also hold a confirmation service at Glassville at 3 p.m. when a large class will be presented.

Today dealers are paying 75 cents for potatoes, 35 cents for turnips, 25 cents for oats, \$10 for hay, 27 cents for butter, 30 cents for eggs.

## REDEDICATION AT GREENFIELD

Large Crowd Gathered on Sunday—Church Dormant for Years—Now Open

A vast congregation which would have filled the church twice, gathered at Greenfield for the reopening and rededication of the Greenfield United Baptist church. It is more than 20 years since regular services have been held in this church which was founded in 1854. The present building was erected in 1873. Owing to lack of care because of the death and removal of the trustees and removal of the congregation, the building had fallen into a very dilapidated condition, but by the help of friends it has been renovated and made habitable again. One side of the roof has been entirely reshingled. The ceiling plaster has been patched and chimney made firm. The ladies of the locality cleaned the church thoroughly and on opening day it presented a very neat and attractive appearance. A few further repairs are necessary and these will be completed as soon as possible. Extra seats were improvised for the opening service but scores of visitors were unable to get into the building and gathered around the door and windows.

Rev. I. W. Williamson was in charge of the service and the East Florenceville choir, supplied the special music. Rev. L. E. Ackland offered the Dedication Prayer and Rev. E. A. Trites.

The sermon was a splendid appeal to all the people to know their spiritual pedigree and take their proper place in the Kingdom of God and enroll under the banner of the Lord Jesus Christ. In the evening the church was again crowded notwithstanding the storm to hear Rev. H. R. Bell. Mr. Williamson again presided conducting a hearty song and testimony meeting. He told of the work leading up to the opening of the church again and thanked all those who in any way had contributed to the success of the work, especially mentioning Mrs. Blanche Kinney, John Briggs and Riley Trafford. It is the purpose to make the church a regular part of the Florenceville field and Mr. Williamson will preach there every Sunday afternoon at 4 o'clock for the present.

Special evangelistic services will be carried on each night for two weeks. Rev. H. R. Bell took as his subject "The Second Coming of Christ" and after explaining the different theories of the Second Advent declared himself to be a most ardent pre-millennialist. He presented a great array of scripture truths and said that for every one promise of the first advent of Christ there were many of the second. Mr. Bell believes that the Advent is imminent and urged all believers to keep themselves unspotted from the world and to be ready to be caught up to meet Christ in the air when He shall come. No man knows the time but many of the signs predicted as preceding it are apparent to all who are paying attention to them.

## DEATH OF MRS. STEPHEN MACMULLIN

The death occurred of Ruth, widow of Stephen MacMullin at the MacMullin homestead early yesterday morning. Mrs. MacMullin was the oldest resident of the town, having passed her 94th birthday. She had been confined to her bed the whole of this year from the debilities arising from her great age. Her husband died a few years ago and she is survived by one son, W. Pennington, and one daughter, Mrs. Jane Boyer. There are also two grandsons and five granddaughters. Allen, Henry and Frank Bradley are brothers and there are a large number of more distant relatives.

Mrs. MacMullin was born near the old MacMullin homestead which she entered as a bride 70 years ago and where she ever since resided. In the prime of her life she was noted for her hospitality and kindness, not only to her immediate kin, but there are many of no blood relation who will always remember her kindness and generosity in giving food and shelter and a mother's care. She attended well to the ways of her household and all who knew her will remember her with the deepest respect and veneration.

The funeral will be held from the home this afternoon, Rev. E. A. Trites conducting the services at the home and at the grave.

It is rather remarkable, and it seems quite proper that Mrs. MacMullin's body should be the first to be interred in Greenwood Cemetery after its dedication. For years the original plot was known as "the MacMullin burying ground", the first land having been given by the late Charles MacMullin, and wherein all the MacMullin posterity that has gone before are lying. It is said that she should be the first seems quite proper through the fact that "the old must die" and at her great age, after her long-enduring life of great activity, it is only blessed that at last the tired body takes its rest.
