NATURE OUTWITTED!!

Dr. Antrobus's
Persian Hair Restorative,
AND HAIR DYE

Under the immediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

The RESTORATIVE strengthens the hair and prevents it falling off after every other means have been resorted to unsuccessfully; it cures baldness and creates a natural curl, and by its use, myriads of persons of both sexes are indebted to having a good head of hair at the present moment. Its efficacy if therefore undoubted, and the whole world is challenged to produce an article to equal it, either for beautifying the human hair or preserving it to the latest period of life. For the production of Whiskers or Moustache, it is infallible.

The qualities of the HAIR DYE are decidedly superior to any thing of the kind ever attempted and the whole surface of the head can be changed into a most natural black or brown, within five minutes after using it, so as to defy detection from the greatest connoisseur. Advice by post gratis on receipt of Postage Stamps.

Certificate from one of the greatest Medical Men of the day.—Read it!!!

Copy of a Letter from Dr. Magrath, M. R. C. S., dated Duke Street, Adelphi, London, the 17th January, 1854.

To Dr. ANTROBUS,

Sir,—I feel great pleasure in attesting the virtues of your Persian Hair Restorative. Several parties who have been patients of mine having derived the most inconceivable benefit from using it; and in fact it is owing to this article alone, that many of them are not at the present moment completely bald; one party I may mention in particular, who had been laid up with typhus fever: (a most beautiful young lady,) the attack however left her although as beautiful as ever in the face, still with scarcely any hair on her head. She tried every thing unsuccessfully, until I recommended her to use your Persian Hair Restorative, and in three months, she again possessed the same dark curling locks, as before her illness, although if possible, still more jet like, and attractive. I must admit, although I have recommended it to hundreds of persons of both sexes, I have never found it fails and consider, that where the hair is not past human aid, your wonderful preparation will restore it to its pristine state.

Your Hair Dye is the best I have ever seen or heard of, and has been used among my private acquaintances, with the most unbounded satisfaction.

I am, Sir, yours most truly,

(Signed) DENNIS MAGRATH.

Letter from Henry Vinson, Court Hair Dresser and Wig Maker, of 124, Leadenhall Street, London.

To Dr. ANTROBUS,

Sir,—Your Hair Restorative is one of the greatest blessings ever invented. Several of my customers are quite enraptured with it, and consider it beyond all praise. I cannot deny, but that it has appeared to me quite wonderful, the alteration it causes after using it for a few weeks, it excels any thing of the kind I ever used, causing a complete metamorphosis; giving the hair a natural curl, and even entirely hiding grey locks, setting nature at defiance.

You may depend upon it, that it surpasses any thing of the kind ever brought before the public, and as to your Hair Dye, I can sell all you can send me, it is so unquestionably good.

I am, Sir, yours faithfully,

(Signed) HENRY VINSON.

The Restorative is sold at 1s. 6d., 2s. 6d., and 4s. per Bottle, Sterling. The Hair Dye 3s. 6d. and 7s. per case. The larger sizes are a great saving Directions for use accompany each Bottle and Case.

Be particular to ask for Dr. Antrobus's, or you may be imposed upon.

The British Periodicals

AND THE
FARMER'S GUIDE.
GREAT REDUCTION IN THE PRICE
OF THE LATTER PUBLICATION.

1. Scott & Co., New York, continue to publish the following leading British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The great and important events—Religious, Political, and Military—now agitating the nations of the Old World, give to these Publications an interest and value they never before possessed. They occupy a middle ground between the hastily written news-items, crude speculations, and flying rumours of the newspaper, and the ponderous tome of the historian, written long after the living interest in the facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised, whether of friend or of foe, and all short-comings fearlessly pointed out. The letters from the CAUCASIA and from the BALTIC in Blackwood's Magazine, from two of its most popular contributors, give a more intelligible and reliable account of the movements of the great belligerents than can elsewhere be found.

These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical,—but politics forms only one feature of their character. As Organs of the most profound writers on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

EARLY COPIES.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, especially during the present exciting state of European affairs, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.
