HIS SON.

century, or under what reign it hap- his benefactor. pened, that this want of mutual confidence and right understanding between father and son was fatal to the fa nily of the Valentines in Germany. Basilius Valentine was you have been addicted to vani y a person who had arrived at the utmost perfection in the hermetic fore you, you nor I could escape the att, and initiated his son Alexan drinus in the same mysteries; but, as you know they are not to be attained but by the painful, the pious, the chaste, and pure of heart, Builing did not and pure of heart, Basilius did not open to bim, because of his youth, and the deviations too when he let me into the profound natural to it, the greatest secrets of mysterics of the smarageine tables which he was master, as well know of Hermes. "It is true," said be, ing that the operation would fail in cand for removed from all colour of the hands of a man so liable to deceit; that which is inferior is like errors in life as Alexandrians. But that which is superior, by which are believing, from a certain indispo acquired and perfected all the mirsition of mind as well as body, his acles of a certain work. The father dissolution was drawing nigh, he is the sun, the mother the moon, the ealled Alexandrinus to him, as he lay wind is the wo no, the earth is the on a couch, over against which his ourse of it, and mother of all perfecson was seated, and prepared by tion. All this must be received with ending out servants one after an modesty and wisdom." The chymother, and admonition to examine ical people carry, in all their jargon, that no one overheard them, he a whim lead sort of piety which is revealed the most important of his ordinary with great lovers of money, secrets with the solemnity and lan- and is no more but deceiving themguage of an adept. ' My son," said selves, that their regularity and he, many have been the watchings, long the incubrations, constant the labors of thy father, not only to gain the innocence of heart which must a great and plentiful estate, to his recommend them to the next. Reposterity, but also to take care tha natus wondered to hear his father he should have no posterity. Be not talk so like an adopt, and with such amazed my child: I do not mean a mixture of piety; while Alexanthat thou shalt be taken from me, drinus, observing his attention fixed, but that I will never leave thee, and proceeded : " This phial, child, and consequently cannot be said to have this little earthen pot, will add to posterity. Observe, my dear son, thy estate so much as to make thee this small phial and this little galli pot-in this an unguent, in the other pire. I am going to my long home, a liquor. In these, my chiad, are out shall not return to common collected such powers, as shall revive dust." Then he resumed a coun-

J. E. COLLINS, EDITOR & PROPRIETOR

same restoratives." In a few days after these wonderful ingredients were delivered to Alexandrians, Basilius departed this life. But such was the pious sorrow of the son at the loss of so excellent a father, and the first transport of grief had so wholly disabled him from all manner of business, that he never thought of opposite for six months, one fourth the mounts for his father had limited their efficacy amount for three months. Special arrange-was expired. To tell the truth, he medicines till the time to which

Alexandrinus was a man of wit ard Single insertion not more than one inch pleasure, and considered his father 50 cents; Subsequent insertions [each] for had lived out his natural time; his ame space 25 cents.

Advertisements will be charged for life was long and uniform; suital e the time of insertion if not ordered to be to the regularity of it; but that he bimself, poor sinner, wanted a new life, to repent of a. very bad one witherte; nd, in the examination of Solid advertisements, ten cents a line his heart, resolved to go on as he are Crders for the discontinuation of did with this natural being of his, should be restored by application of these ravities, when time should come to his own person.

·It has been observed, that Proidence frequently punishes the selflove of men, who would do immoderately for their own offspring, wi h children very much elow their characters and qualifications: ins much that they only transmit their names CHATHAM, N. B., JANUARY 22, 1881, to be borne by those who give daily proofs of the vanity of the labor and mbition of their progenitors.

'It imprened thus in the family of Ba ilius; for Aiex indrinus began to enjoy his a uple fortune in all the extremeties of his household expense, furniture, and insolent equippage; and this he pursued till the day of his own departure began, as he gre v sensible, to approach. As suspicious; and Alexan frinus, be-

other, if these regards were reciprochaving very good reason for thinknever fails to mix an air of mirth ing it unsafe to trust the real secret and goodshamor with his good sense of his shial and galified to any man and reasoning, he entered into the living, projected to make sure work, and hope for his success depending

the spring of I fe when they are yet tenance of alterity, and told him but just ceased, and give new that if within an hour after his death strength, new spirits, and, in a word, he annointed his whole body, and wholly restore all the organs and poured down his throat that liquor senses of the human body to as great Basilius, the corpse, would be cona duration as it had before enjoyed Verted into pure gold. I will not from the day of its birth to the pretend to describe to you the great
