A brief summary of evidence is all that will interest the public.  Thomas RYDEN testified to having bort that the things of the residual to the control of the residual to the control of the residual to the control of the residual to the residu
Assume of \$8,000 in violation of the Interpretation of Parliament Act—a payment timidly condemned by the Globe newspaper, and outspokenly denounced by the Onlarie Reformer and the Kingston Whig. Was the defence of this iniquitious job too much for the Premier in the face of his constituents! At all seems he burked it.  There is much in the speech that is old—very little that is new. He had promised a great deal; no doubly, remarked Mr. MACKENEZE in opening; perhaps he had failed to do all that was expected of him, but he had done all he could! A terrilisting confession indeed for gone who	came of the mission. What sort of an Order in Council was passed prior to Mr. BLARE's departure we do not know; but we trust it will be found to have a more substantial basis than that on which Mr. MACKENERIE justified his charging the Treasury with \$2,433, for the pleasure of making long speeches to his old friends in the estimation of the country.	"We had not left Montreal an hour before all the horses (with two exceptions) had ripped the whole of the padding out from before them. Two carpenters were put on board to finish up the fixing, trough, sic, but we could get them to do nothing, and the job was left incomplete in every particular. The boards burst out behind them.		week in pictories winner into eccessed rates at his bedaide a few days before the murder, and that he still had it in his possession.  WILLIAM WITTERITES was received and antition than to jump off the deck, and to still a serve some unimportant testimony in reference to a certain axe which his folls bought a few years ago. He said that it bors some resemblance to the one found beside the dead body, but he ceuld distinguish a difference in the handle and the breadth of the leading of the second of the
There is much in the speech that is old or a very little that is new. He had promised a great deal, no doubt, remarked Mr. MACKENEUS in opening; perhaps he had failed to do all that was expected of him, but he had done all he could. I A humiliating confession indeed for one who can be a described by the latter of the could have be a confession indeed for one who can be a confession in the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the world is not the best and the smoothest in the smoothest in the world is not the best and the smoothest in the smoothes	in Soutand, and obtaining evic honours through the interposition of that well-paid official, the late Agent-General, member for Dundee.  Mr. MACKENIN's mission, though costly, was fruitless in a public sense. Mr. BLARE'S, it is said by his special adminers, will prove to have been one of public consequence equal at least to that of any previous Ministerial visit, Tory or Crit.  Tween's career may briefly be summed	The divisions between them came out. The simps slipped right best assinst their hind legs, so as to prevent the horses from gaing. They are also made of the chaspest canvas, and are not wide enough by a foot. The wheels of the crank for slinging them are broken, and if they were strong enough the canvas would not bear the forces wp. The catches for holding up the troughs were worse than useless: in the first place they	and a loade gun of the stable, and to his great surprise he heard to some time afterwards go off. The gun was fried by a fowl which got on the trigger, and the contents entered die face of an anged man named Collis, who was in the stable at the time. The sufferer lost one of his spec.  Writing to Mr. A. Stewart, of Glasgow, row Carlisle, on his way home, Mr. Spurger, commands the following characteristic notes:  "Dear Friend,—I have returned to Eng- land. I had eleven clear weeks in Bootland, and and a critical week Mr. Henderson sent the horr into Stratford with the intention of selling land, and a criterion of selling	Mrs. Coopen testified to having been at the home of the deceased a good portion of the day previous to the murder. She said Henry Whiteside was there, and she did not see him and his mother have any conversation during the day; don't think they had an opportunity to do so without her seeing duoted the photograph man to print a lot
him, but he had done all he could ] A humiliating confession indeed for one who for so many years had represented himself as an angel of light and purity. Doubtless it is not easy to do right when one is surrounded by Ogornoss, and Alvarras, and Jarras, and Jarras, and Laras, but the Premier will hardly commend himself to public approval because he has fallen prone before the man who "smalls was that he most practical refutation it has been possible to give it. And this mental vigour is as marked as it seem to heaven," has taken to his hosen its down was has been so clearly demonstrated in inferquent public utterances of late, that	consequence equal at least to that of any previous Ministerial visit, Tory or Grit. We shall be glad if this statement prove correct; but if no more can be said of it than has appeared in the Montreel Hereld, the London Advertiser, and the Hamilton Times, we fear the general declaration of the City of New York was 75%, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 2000; on the 30th April, 1671, a 586, 283, 283, 2800; on the 30th April, 1671, a 586, 283, 283, 2800; on the 30th April, 1671, a 586, 283, 283, 2800; on the 30th April, 1671, a 586, 283, 283, 2800; on the 30th April, 1671, a 586, 283, 283, 283, 283, 283, 283, 283, 283	were not large enough, and in the second were as brittle as glass, and all have broken of, until to-day we had to its the troughs up with rope. But the captain said it was a water that he had a ticke was the captain said it was a water that he had a taked him for he had a taked him for his name and address.	"Dear Friend,—I have returned to Eng- sal and, I had eleven clear weak in Scotland, b ho and was asked to preach more than fifty to fines. That, when I came for rest I and in tot. Christian country, too! A merciful At han, etc. God speed you.—Yours trally, U. H. SPURGEON."  The Midland Railway Company, who have	William Whiteside was recalled, and gave some one contain axe which his folks bought a few years ago. He said that it bors some resemblance to the one found beside the dead body, but he ceuld distinguish a difference in the handle and the breadth of the ference in the handle and the breadth of the ference in the handle and the breadth of the said.  Mrs. Cooper testified to having been at the home of the deceased a good portion of the day previous to the murder. She said Henry Whiteside was there, and she did not been him and his mother have any conversation during the day; don't think they had an opportunity to do so without her seeing the family seemed to be all agreesable.  Mrs. Whiteside was there, and she did not during the day; don't think they had an opportunity to do so without her seeing the family seemed to be all agreesable.
