

Women Once Invalids

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household Necessity. Doctor Called it a Miracle.

All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house."—Mrs. FRANK KNOBL, 1642 Fulton St., Harrisburg, Penn.

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are none like them."—Mrs. F. E. YOST, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.—"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLEMENTINA DUBERRE, 34 Gardner St., Troy Hill, Pittsburg, Penn.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice. It will be confidential.

It Works! Try It

Tells how to loosen a sore, tender corn so it lifts out without pain.

Good news spreads rapidly and druggists here are kept busy dispensing freezone, the ether discovery of a Cincinnati man, which is said to loosen any corn so it lifts out with the fingers. Ask at any pharmacy for a quarter ounce of freezone, which will cost very little, but is said to be sufficient to rid one's feet of every hard or soft corn or callus. You apply just a few drops on the tender, aching corn and instantly the soreness is relieved, and soon the corn is so unraveled that it lifts out without pain. It is a sticky substance which dries when applied and never inflames or even irritates the adjoining tissue. This discovery will prevent thousands of deaths annually from lockjaw and infection heretofore resulting from the suicidal habit of cutting corns.

Conscripted Troops to Mobilize Here

Men Raised Under Military Service Act in This District Will Train at Newcastle

Word has been received here that Fredericton, Newcastle and Moncton will be mobilization centres under the Conscriptio Act. This means that men who come under the provisions of the act within these districts will be mobilized at the places mentioned. Military men believe that these centres will work in conjunction with the main depot in St. John, which is the designated headquarters for New Brunswick under the Military Service Act.

Whether or not the men drafted in the vicinity of Newcastle will be drilled at their respective mobilization centre has not been decided upon as yet. In all probability, the recruits will receive their preliminary work at the various mobilization centres and be sent to the main depot for further hardening. No information has been given out on the matter from headquarters. One military authority said that it might possibly be worked out like the plan many battalions have followed in New Brunswick. "Have a headquarters centre, which in this case is St. John, and then have three or four points throughout the province where mobilization goes on drilling would be undertaken at all the places authorized, and when the company is up to full strength the whole unit would be undertaken at all the places in his theory."

Curing Skin Troubles

So many people, both men and women, suffer from skin troubles, such as eczema, blotches, pimples and irritation that word of advice is necessary. It is a great mistake for such sufferers and those with bad complexions to smother themselves with greasy ointments. Often they could not do anything worse, for the grease clogs the pores of the troubled skin and their condition actually becomes worse.

When there are pimples or eruptions, or an irritating or itching rash a soothing, home-made solution may help to allay the irritation, but of course that does not cure the trouble. Skin complaints come from an impure condition of the blood and will persist until the blood is thoroughly purified. It is well known that Dr. Williams' Pink Pills have effected the best results in many forms of skin disorders and blemishes. This is due to the fact that these pills make new, rich blood, and that this new blood attacks the impurities that give rise to skin troubles and disperses them; so that Dr. Williams' Pink Pills cure disorders from within the system—the only sure way. It should be added that Dr. Williams' Pink Pills have a beneficial effect upon the general health. They increase the appetite and energy and cure diseases that arise from impure blood.

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont. (adv.)

NEW POSTAGE STAMP

Some of the new issue of three cent postage stamps have made their appearance. The stamp is of khaki color as befits a time of war, and in allusion to the fiftieth anniversary of the birth of the Dominion, the engraving is a finely executed miniature of the celebrated picture so familiar to all Canadians under the title "The Fathers of Confederation." The stamp is about twice the width of the ordinary postage stamp.

Miss Maude Duncan, of Campbellton, was in town on Sunday.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25-cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—no—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

WHY IS IT

that chronic skin diseases which have defied all other treatments yield to Zam-Buk?

It is because Zam-Buk is germicidal, and also has such power of penetration that it reaches disease in the underlying tissues and cures from the "root" up. That is the only way a permanent cure can be effected.

Mr. H. C. Buckley of 461 E. Broadway, Portland, Oregon, says: "For chronic skin diseases there is nothing like Zam-Buk. For fifteen years I had eczema, and I tried an endless number of so-called 'eczema cures,' but nothing was capable of curing me permanently until I used Zam-Buk. Ten months' use of Zam-Buk has effected a complete cure."

For ulcers, abscesses, boils, ringworm, blood-poisoning, piles, burns, scalds and cuts, Zam-Buk is equally good. All dealers or Zam-Buk Co., Toronto. 50c. box, \$ for \$1.25.
