

Quicker, whiter washes

Hands saved and clothes saved by this pure, new laundry soap

Now for easier wash-days - snowier clothes with time and money saved.

For here is a pure, new laundry soap which gives you snowier washings with less work and time.

It never injures delicate garments or fabrics because it is just good, pure soap. Contains no "filler" or other injurious content. For this same reason it is easy on your hands - saves them unnecessary roughening and reddening.

It cleans thoroughly — dissolving and removing the most ground-in dirt. Does this quickly—shortens rubbing-time.

It is Mother Hubbard Pure Laundry Soap. One of the big, generous-sized bars lasts for a surprisingly long time—because it is all soap—and thus Mother Hubbard is economical. Not only for washing-but for every household cleaning job.

You'll find it a big help. Get some today - and at least try it. Ask you.

Office" mark was one of the best was abused and, as a result abolish- known, and in many places it be-

The First Fire Brigade.

The first organized effort to found fre insurance company was made in 635, when a number of London citieas petitioned the king to allow them msure houses at the rate of a shilas a year for each £20 rent, the asociation undertaking to repair or rewild houses that were burned and to stitute certain precautions against re, such as watchmen to patrol the Wreets at night.

Political disturbances led to the des being abandoned, but it was red directly to the establishment of he insurance companies.
One of the first was founded the fol

lowing year by Dr. Nicholas Barbon, son of the famous Puritan, "Prais od Barebones." The business thus started was taken over shortly after-Wards by a company styling itself The Fire Office," its purpose being to haure houses in London for a fixed remium of 21/2 per cent. of the yearrent for brick-built houses and 5

er cent. for wooden buildings. The business developed, and s freat was the interest taken in it hat the Common Council of the City London proposed insuring its citiens' houses at lower rates than the ompany. The plan, however, was Mod, the judges uphotding that the Council had no power to transact

such business. Many insurance companies sprang at this period, among them the Phenix Office," which was not, as lome suppose, the original of the preant Phoenix Company; ,tho Union
