KEARNS TO MANAGE CHAMPION WALKER FOR FIVE YEARS.

NEW YORK, May 5.—Mickey Walker, welterweight champion of the world, will be managed for the next five years by Jack Kearns, manager of Jack Dempsey. The contract was signed yesterday in Los Angeles and becomes effective immediately, according to a telegram received from Kearns by Tex Rickard last night. It is understood, however, that Kearns will not share in the money to be paid Walker for his battle with Harry Grab at the Polo Grounds on June 19.

Walker's first ring appearance under the management of Kearns will be his battle with Left Cooper, California welterweight, which is scheduled to take place in San Francisco on May 16. Although this match was made before Kearns stepped into the picture it is understood that he will share in the proceeds. The contract that was signed yesterday gives the new manager a cut of 33.3 per cent of Walker's earnings. With Jack Dempsey, the manager is understood to have cut 50-50.

The news that Walker and Kearns had hooked up in a five-year agreement convinced a lot of local wisecracks yesterday that Dempsey and Kearns have parted company for all time. It was also taken in some quarters as additional proof that Dempsey has quit the ring and passed into permanent retirement.

Regardless of the future of Jack Dempsey, Jack Kearns could hardly have passed up this golden opportunity. He had a ready-made champion and a fair-sized fortune literally tossed into his lap when he signed contract No. man in his right senses would have let such a chance slip through his fingers.

Walker has been handling his

own affairs, since the death of Bulger, who was the man who "steered" him to the championship. He has not been making good weather of it, however, if one may be permitted to use a nautical term. His world's welterweight title has produced comparatively little revenue since he won it from Jack Britton at Madison Square Garden in 1922. This is because Mickey managed to get himself in bad at various times with both the New York and New Jersey Boxing Commissions. He was under suspension or on the ineligible list for long periods both here and in his own state. Since the death of Bulger he appears to have been the victim of much bad advice.

The telegram received by Tex Rickard from Jack Kearns yesterday confirmed the report that he had signed Walker to a five-year contract and inquired as to the possibility of matching the welterweight champion with either Dave Shade or Benny Leonard in a battle for the title. Walker has already agreed to box Shade before August 15th.

DEMPEY OFFERED \$150,000 FOR BOUT IN GERMANY.

NEW YORK, May 4.—Jack Curley announced to-day that he had received a cable from Samuel Rastman, motion picture producer in Germany, offering Jack Dempsey \$150,000 for a heavyweight bout in Berlin while the champion is abroad on his honeymoon trip with Mrs. Dempsey, the former Estelle Taylor, moving picture actress. Hans Breitenstrasser, the German heavyweight, or K.K. Sampson, who boxed in America a few years ago, would probably be selected as an opponent for Dempsey, according to Curley.

"The Black Flag" Great Play Well Interpreted

Famous Melodrama Still Drawing Big Audiences.

In their production of "The Black Flag," the Arlie Marks Players step out of the rut of the ordinary comedy drama and light production and prove to their many friends that they are brilliant interpreters of the melodrama type of bill. This bill has been well staged including all the minor details and judging from the vigorous applause at the various climaxes the audience thoroughly enjoyed every moment of it. Miss Arlie Marks is seen in the role of Ted, the big connecting link of the play. This role is played by Miss Marks' usual faultless manner. She gives her audience occasion for laughs as well as coaxing a tear. Her emotional acting is all that could be desired. Another outstanding character in this play is that of Lazarus, which is very cleverly taken by Walter DeLuna, who puts over the role in brilliant style. Paul Brady and Ray Wasmund give good account of themselves in the roles of Harry and John Glyndon. H. Webb Chamberlain as Owen Glyndon plays the part with marked realism. The remaining members of the cast do good individual work.

The vaudeville program consisted of songs and dances by Clarence Kane; Deluna and Addele in Pitter Patter, John Andrews, Magician in new illusions and the Scotch Lads and Lassies in a bright Review. This itself is a feature worth the price of admission.

Monday's play is a modern social drama entitled "Why Father Left Home." The bill for the latter half of next week will be that famous success, the great crook play "Kick In."

For Deep, Heavy Colds

Here is the best way to get rid of a bad cold. First apply hot wet towels over throat and chest to open the pores of the skin.

Then massage briskly with Vicks for five minutes, spread on thickly and cover with two thicknesses of hot flannel cloths. Leave the bed-clothing loose about the neck so that the vapors arising may be freely inhaled. These vapors, inhaled with each breath, carry the medication directly to the affected parts.

At the same time Vicks is absorbed through and stimulates the skin, helping the vapors inhaled to relieve tightness and soreness.

N. I. W. A. Enters Labor Federation

By a unanimous standing vote the Newfoundland Industrial Workers' Association, at the best attended meeting for years, last night decided to enter the Newfoundland Federation of Labour. When it was seen that the vote was unanimous, there was an outburst of applause. The N.I.W.A., with its six local unions, is a notable convert to the Federation. President J. R. Smallwood was the leading speaker, being listened to with keen attention and greeted with a very hearty reception and warm congratulations. Among the speakers, all of whom were highly in favor of the union were: Pres. Alex. James; Vice-President, Geo. H. Tucker; Secretary, Arthur Earle, Harry Shaw (Jr.), William Clark, Richard Power, Joseph Ennis, W. J. Willar, John Jones, John Fagan, Dick Kennedy, Isaac Mercer and others. All of the various local unions of the Association—boiler makers, railway car shop men, blacksmiths, tinsmiths, machinists and fitters, ladies' branch—had thrashed out the subject previously at individual meetings, so that joint action last night was taken upon thorough consideration. To-night the N.F. of L. is having a public meeting in the L.S.P. U. Hall, President Smallwood being the chief speaker.
