

**Breakfast—Epp's Cocoa—Grateful and Comforting.**—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills. *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labeled "James Epps & Co., Homoeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

To the weak, the worn and the weary, the Editor of the *Boston Recorder* says, "We can most unhesitatingly recommend the Peruvian Syrup, a protected solution of the protoxide of iron, to all the weak, the worn and the weary, having richly experienced its benefits. It possesses all the qualities claimed for it by its proprietor."

Fellows' Compound Syrup of Hypophosphites will not only supply the waste going on in the brain, but will enable the mind to endure a greater tax than before. It will impart vigor and promote clear conceptions to the intellect. It will strengthen the nerves and give power to all involuntary as well as the voluntary muscles of the body.

We noticed in one of our exchanges this week the statement of Deacon John Hodgkins, of South Jefferson, Mo., whose son was cured of incipient consumption by the use of Johnson's Anodyne Liniment. We refer to this at the time as tending to corroborate the statement we made last week in relation to this Liniment as applied to consumption.

If Congress had employed as much scientific skill in the arrangement of its "Reconstruction Policy" at the close, as the War Department did in the beginning of the war, in arranging for the manufacture of what was called Sheridan's Cavalry Condition powders for the use of the cavalry horses, no doubt the Union would have been restored long ago.—*Exchange.*

It is a band (returned from a call on Judge Jones). Well, Mary, I have examined those certificates and found them straight as a string, there are so many imitations and counterfeits sticking like burrs to every good medicine that I have learned to look upon the good and bad as one and alike. It is very wrong, however, this Pain-Killer of Perry Davis has stood the test of time. Doctors and Druggists have not been able to hush it up, it's as you say, Mary, in everybody's house, and I am astonished to find it has been doing such a world of good about here, and we have known nothing about it.

Wife—It must have cured somebody's Rheumatism, or you wouldn't have been converted so easily.

Husband—Converted, why it has cured a dozen cases about here within a year, Simon Tinkler who you know used to be such an awful sufferer with it and was laid up half the time, why it was this same Perry Davis Pain-Killer that cured him. George Trotter, who Dr. Squills used to pity so much and call a gut sufferer, he to was cured with the Pain-Killer and what's more he writes that he paid Dr. Squills over \$100 for attending him and was growing worse all the while; here, my dear, rub some of it on my shoulder at once, I am through with Dr. Squills, if Pain-Killer can't cure me, nothing will, I am convinced of that.

Sold every where, price 25cts. and 50 cents per bottle.

The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colds and Bowel difficulties, a few drops in water will give immediate relief. As a liniment, it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

COMPOUND SYRUP OF

**HYPHOPHOSPHITES**

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which sustains all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in all cases, is a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is substantially the basis on which the action of the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of vitalized Blood in the Muscular Organs of the Body.

Routing the sluggish Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Sedentary life, a tropical climate, from fever, or debility from any cause, and its effects in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a long time, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.
