News of the City Schools

Miss Kingston of Cork County, Ireland, came to Calgary last week, and expects to secure a position in a rural school very soon.

Mr. Millar, one of the teachers of the Normal school, went to New York on Wednesday to enter upon a summer course at the Columbia University.

Rev. Mother Phomena from Belgium visited St. Mary's school last week, and gave a brief and interesting address to the pupils in each of the class rooms.

Miss Jennings of Edmonton, North London, arrived in the city last week, and on Tuesday went to Kneehill Valley, where she will take charge of the school of that district.

Miss Burnett of the Normal school staff left the city on Wednesday of last week to spend a few weeks in Medicine Hat and Moose Jaw. From thence Miss Burnett intends to go to New York to enter upon educational work during the summer.

The report of the standing of the primary classes of St. Hilda's college at the recent examinations is as follows: Form I—Kate Rowley, Gladys Bennett, Mary Dunn, Zoe Trotter, Dorothy Brown, Gerald Ings, Kathleen Kirkland, Form II—Alma Dunn, Miriam Rowley, Marjorie Ings, Edith Beaton, Helen Smith, Emma Harris, Helen Geddes.

The Misses Reilly entertained the senior pupils and the staff of St. Hilda's college to a very enjoyable afternoon tea. They were thus afforded an opportunity to view the site of the new college. The location is ideal and a great deal of appreciation is felt by all persons who are interested in the institution, and great thanks are due the Misses Reilly for their kind consideration and thoughtfulness in doing so.

ing and enjoyable feature was the operetta, in which the following pupils took special part: Fairy McDougall, Dorothy, Fraser Dot Robinson, Lydia Chamberlain, Essie Williams, Meria Aubine, Francis McCaffrey, Helen Thompson, Mona Sparrow, Marion McDonald, Edna Aubine, Yvonne Marquis, Elizabeth Sheridan, Helena Sheridan, Beryl Lance, Bernadette Sommerville, May McLaughlin, Aldre Malhot, Wera Sommerville, Susie Sharples, Lucy Adams, Letitia Divine, Adeline Aubine, Louise King. In addition to this the senior girls gave a very graceful flag drill, representing the red, white and blue. The boys contributed a humorous play. The operetta was given in the school hall, and the program, which was given in the new and beautiful assembly hall.

Miss Talbot, secretary of the Victorian League of London, England, gave a very excellent address to the teachers on Thursday afternoon in the assembly hall of the Central school. Miss Talbot has travelled a great deal, and is now completing a nine months' journey in the interests of the association for which she is working. Miss Talbot is now returning from Australia and New Zealand, and expects to arrive home in England about the middle of June. Having read widely, Miss Talbot is fully conversant with her subject, and gave her talk in an interesting and direct manner. The Victorian League is a non-party association composed of men and women, whose sole object is to promote by practical means a close understanding between different countries and the empire. In Canada the Daughters of the Empire, a similar association, is in existence, and where this society is thriving Miss Talbot renders what assistance she can, and gives information, but where no such association exists she organizes the Victorian League. For instance, she organized this work in four of the states of Australia. As regards the educational work of the league, it is founded upon conviction that there is a need for the spread of accurate information about the history of our race, and the geographical position in the world of the several countries inhabited by British people and owing allegiance to the King. Information is collected and the present day conditions existing in different countries, the point of view of each and the special needs of each are duly investigated after proper research is made. The public opinion of people in the country affects the government of the country, and the government of the empire. Hence it is a very important to educate public opinion. There is great need of such knowledge.

Suffered Terrible Pains From His Kidneys.

Perhaps no other organ works harder than the kidneys to preserve the general health of the body, and most people are troubled with some kind of kidney complaint, but do not suspect it.

There is no way of getting the kidney poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

They help the kidneys to flush off the acid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and urinary passages.

Doan's Kidney Pills are entirely vegetable, and may be safely taken by old and young.

Mr. Douglas A. McLean, Broad Cove Banks, N.S., writes:—"I was troubled with my kidneys for nine months, and suffered with such terrible pains across the small of my back all the time that I could hardly get around. After taking two boxes of Doan's Kidney Pills I began to feel better, and by the time I had taken three I was completely cured."

Price 50 cents per box. 3 boxes for \$1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

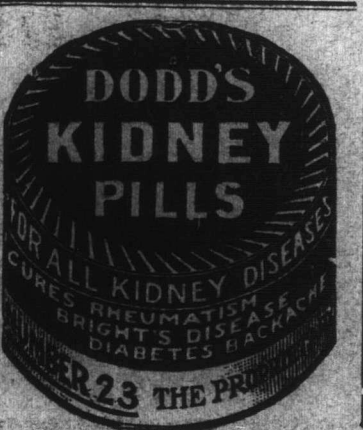

In ordering specify "Doan's."
