**Oriente Defeated at Whist—
Latest Baseball News—Montreal
Loses a Second Game.**

WHIST.

It was a surprise to the Orient whist club (who are the champions of the city league) last evening, on the occasion of their visit to No. 6 Ward Liberal Club rooms to play the silent game with the latter's team. They were heartily welcomed on their arrival, and after a few moments spent in social chat, the teams soon got down to business. Ten tables and 20 hands were the play, and a good three-hours' game enjoyed. The summing up, however, proved rather disastrous for the hitherto invincible Oriente, who were minus 112. Full score:

It is likely that the "duplicate" game will be adopted next season by all the city clubs. This will no doubt result in close scoring, and be a proper test of the playing abilities of the respective teams. "Duplicate" is already being much played, and is generally preferred by those who have tried it.

BASEBALL.

McGraw, of Baltimore, still refuses to leave his happy home for P. Tebeau. Both Varsity and Osgood Hall have cut out the proposed tours in the Eastern States. Mayor-elect Julius Fieschmann, of Cincinnati, is a great baseball enthusiast, and several amateur teams have

worn uniforms donated by him. Mr. Fieschmann used to summer at Niagara-on-the-Lake, where he maintained a ball team every season. Boston and Philadelphia are the only National League teams that will not play on the 15th.

The Michigan end of the proposed International League ought to pay well. The four teams said to be ready to enter are Grand Rapids, with a population of 80,000; Saginaw, 50,000; Manistee, 14,000; and Muskegon, 20,000. The Canadian end will likely be London, with 40,000; Chatham, 10,000; Hamilton, 55,000; and St. Thomas or Woodstock, about 10,000.

Robert Emile leaves St. Thomas a week from today to commence his duties as National League umpire. Worcester vs. Montreal. Worcester took the second game from Montreal, winning by heavy hitting. Score: Worcester.....4 0 0 4 5 2 3 0—18 20 5 Montreal.....3 0 0 2 0 3 0 0—8 14 7 Batteries—Bannon, Klobadanz, Miller and Kitzinger; Clancy, Magee, Goodwin, Kenny and Moran.

TORONTO'S REPORT. Philadelphia, Pa., April 9.—The following players for the Toronto ball club reported at Hotel Hanover, in this city today, viz.: Taylor, Gray, Hannivan, Schaub, Pattee, Merritt, Bruce, Miller, Roach and Zearfoss. The latter is another new catcher signed by Manager Barrow. He was with the New York club in 1895, 1897 and 1898, but did not play last season on account of sickness. He is in good shape now. The rest of the men are expected to-night. Tomorrow morning, at 10:30 men in all, to Atlantic City, where they will train until the opening of the championship season. During Easter week the Boston, Montreal and Brooklyn teams will play exhibition games.

TWIN TERRORS.

The twin terrors of this season of the year are Pneumonia and Bronchitis. They hurry off hundreds of people into untimely graves. On the first indication of a cough or cold don't wait for serious developments. Start taking Dr. Wood's Norway Pine Syrup before the damage done the lungs is beyond repair.

Mr. Norman Thompson, Poplar Grove, B. E. L. says: "I had a severe cough, and pain and soreness in my chest. The cough was a hacking one and seemed to tear my lungs. Dr. Wood's Norway Pine Syrup promptly relieved the cough and removed every trace of the soreness."

NERVOUS DYSPEPSIA.

Its Miseries Are Many and Severe, but Very Easily Cured.

Caused by Weak, Watery Blood on Which the Nerves Are Fed—Dodd's Dyspepsia Tablets Cure the Disease and Prevent Its Return.

Can't you sleep? Does noise annoy you? Are you low-spirited, discouraged, seeing no use in living? Are you "cross," irritable and gloomy? Have you a desire to avoid company; do you worry over little troubles and difficulties; are you tired and worn out most of the time; do you feel stiff and sore all over the body when you get out of bed in the morning? Do you have gloomy forebodings, worrying over the future of your children or dreading your own early death, for instance? This is truly a miserable condition of affairs, and leads, positively, to much more pain and dangerous ailments.

Do you understand just what the trouble is? One doctor may have told you one thing, another, something else; they may have given you medicine which did you no good. Still, your trouble is easy to reach, easy to recognize, easy to cure.

You have nervous dyspepsia. That means that your food does not digest properly, and that your nerves are fed on impure, weak blood, made from improperly digested food. The remedy lies in securing prompt, thorough, perfect digestion. Then the blood will be rich, strong and nourishing; then the nerves will be fed with food that gives them strength and vigor to do their duty properly.

Perfect digestion. Dodd's Dyspepsia Tablets, insure perfect digestion because they digest the food themselves, allowing the stomach to rest and recuperate. They alone the digestive organs and bring about perfect action.

Dodd's Dyspepsia Tablets positively and permanently cure nervous dyspepsia and all other diseases of the digestive organs. They cost only 50 cents a box.

DELIGHTED SISTERS

Nuns at Kimberley Joyously Greeted Gen. French.

London, April 10.—A pathetic incident of the relief of Kimberley is told in a letter from the sister superior of the Nazareth House in the relieved city. She writes:

"We could hardly believe our eyes when we saw troops coming across the field. We did not know they were, but soon learned that they were French's division. As they were approaching the town the people went out to meet them and to welcome them. An officer, seeing them, inquired if they were priests. They said, 'No, we are Christian brothers.' 'Oh, indeed,' replied the officer. 'Then where is Nazareth House? I have a message to convey to the sisters from the reverend mother at Cape Town.' 'The brothers pointed out the house, and he rode up to the gate. We were the bishop on the veranda. On seeing the soldiers, the bishop asked who the troops in the distance were. The reply was: 'They are Gen. French's, coming to the relief of Kimberley.' 'And who are you?' inquired one of the sisters. 'I am a son of the late Duke of Norfolk,' was the reply, and I am the bearer of a message from your sisters at Cape Town.' 'You can imagine our delight. There was Lord Edmund Talbot, covered with dust and quite worn out after his long and most trying march, delivering the message of love and sympathy from our sisters. We offered him a drink of milk and gave him a glass of water. He said he had been so thirsty that he had drunk the water. He said he was so tired that he had fallen into the river, despite the efforts of the riders, and some of them were drowned.'"

THE GOLD COST TROUBLE.
It appears that the Ashanti uprising was due to efforts by the British to obtain possession of the "gold stool of Ashanti," which King Prempeh was alleged to have concealed at the time of his submission to the British expedition, led by Sir Francis Scott. Two British soldiers have been killed. A third is missing, and 21 other casualties are reported. Most of the native chiefs, however, declare themselves loyal, and refuse to join the Coomassie tribesmen. The governor expects to secure a peaceful settlement. He has sent for two additional companies of troops.
