Lawrence Clark Is New Chief of London Brigade

Hamilton Man Selected by the Judd, Abram, Stevely and Cooper voting for it, and the mayor and the other City Council.

Choice Was Made Unanimous On the Fifth Ballot.

Committee, Not Council, Is Court of Appeal.

Lawrence Clark, of Hamilton, is chief of the London fire brigade. At last mittee the court of appeal and place night's meeting of the city council Mr. that committee over the heads of the Clark's application, which previously council as a whole. and been kept in the dark, was put in, reading of the bylaw, but Ald. Judd and after a vote had been taken in accordance with the ruling of the bylaw, cil instead of No. 3 committee be made Mr. Clark was chosen to succeed the the court of appeal. late Chief John A. Roe.

All day yesterday Mr. Clark, it trans. Then Ald. Judd moved the same pired, had made a tour of the city, and amendment in different phraseology, in company with Clerk Robinson, of and adding to it that appeals must be the city clerk's office, who had been made to the council by those men who detailed to pilot him around, interview- had been discharged by the chief withed all the aldermen save one—and that one was Ald. Judd, who happened to "That's the same thing," said the be out of the city-and made such an mayor. impression upon the city fathers that "Is it? It'll do for you," retorted they each and every one supported his application, voting for the others being Upon a vote being taken this amendpparent to all as a sort of perfunctory ment went the way of the others.

The following were the applications dealt with by the council: L. E. Mead-hole a committee of three men than it er, Utica, N. Y.; J. R. Woodley, Brant-would be to buttonhole the entire counford; S. G. Finch, Brantford; Thomas Sargent, Toronto; Fred Smith, Port Perry; A. S. Ross, Stratford; Richard T. Gates, Toronto; John Sands, Toronto; F. N. Wetmore, Brantford, and Lawrence Clark, Hamilton.

It took the aldermen a long time to get down to business and make a selec-Ald. Garratt, when the names propose to be dictated to by the mayor had been read, promptly moved that or anyone else. no applications be considered except those received from men who now hold a position of chief, acting chief or foreman of a fire brigade. He stated that It would be unfair to the local men to read the full three times and passed. pick up a fireman, without rank, from another place, and make him chief here, called for the yeas and nays, but the Ald. Judd, however, knocked Ald. vote was always the same, Ald. Judd, Garratt's motion out by quoting the by- Forristal, Abram, Stevely and Cooper law, which makes it imperative that in voting to have the proposed amendmaking an appointment of this charac- ments stand over, and the mayor and Then Ald. Cooper began to talk about oting intelligently on the matter.

The mayor struck up a conversation with Ald. Judd, however, and Ald. Coo-EXEMPTION FROM TAXATION. per flew off the handle. "I am risen to remark," he announced. and I rise to make known that I am risen and am standing here. If I'm out of order, say so." "You're not out of order. Go ahead,"

aid the mayor. Then Ald. Stevely asked for a little Then Ald. Stevely asked for a little information regarding the applicants, but it was all cut and dried to appoint Mr. Clark, of Hamilton, who was eulogized from all sides of the council chamber.

C. A. for exemption from taxation was put in with Mr. Coo's application, from the fact that a business college is conducted in the Y. M. C. A. building, and it was thought that Mr. Coo was alluding and it was thought that Mr. Coo he record of being the best fireman in Joseph Ganion, of Colebroook, N. H. Hamilton, was a first-class disciplinar-

recently trapped a silver gray fox in an, and would in his opinion make a the Colebrook district. He values the proper and capable chief. The mayor seconded Ald. Matthews' skin of the animal at \$200, and refused vords, and said he felt Clark would an offer of \$125 for it. make the kind of chief London was looking for. Ald. Judd asked to have the applicaions of Frank N. Wetmore and Thos

Sargent read, and Chairman Matthews **HUMAN BAROMETERS** omplied. Then Mr. Clark's application was read, and it was as follows: "Hamilton, March 11, 1904 To the Chairman of No. 3 Committee

"Dear Sir,-Regarding the position cn the fire department, now vacant, causbeg to respectfully make application of militia called out to suppress the the C. P. R. stations in those towns. for appointment to the same. My age strike trouble there in October, 1900. Meanwhile the hearing before the is 38 years, and I have been for the past fourteen years a member of the Hamilton fire department, and during that time have been connected with day, you have taken these medicines, they will climax at the fixed hours here hose company No. 2, and chemical compassed resolutions declaring that a re- binations. At the present time I am duction of the acreage which gives a foreman of combination No. 2 company. If necessary, I would be able to furnish satisfactory references, as to character and ability. I am, sir, yours truly, "LAWRENCE CLARK.

'55 Napier street, Hamilton, Ont.' Some of the aldermen were disposed talk a great deal to the gallery, but "Vote" headed them off. the vote being taken, five of the oplicants dropped out on the first They were Meader, Finch, Sar-Woodley and Ross, none of them eceiving a single vote. On the next vote Smith polled but one and dropped blood, when there are not enough Alkaout. On the next, Gates and Sands line elements (like sait or soda) to neuwent out, leaving the fight between Wetmore, of Brantford, and Clark, of debris before it reaches the kidneys. Wetmore had polled three votes and Clark eleven, and when the final and deciding vote was counted it was announced that Clark had polled welve and Wetmore none. Thus Clark was the unanimous choice of the coun- sugar, or sand, and they grind between

NATURE'S CURE Catarrhozone, For Coughs,

Pleasant, Prompt, Effective.

Colds, Asthma, Catarrh, and Bronchitis.

Catarrhozone dry air treatment is the only safe, prompt and sure cure for these diseases.

Each breath of medicated air you breathe through a Catarrhozone Inhaler is at once sent through every air cell and every air passage of the breathing organs, saturating the bronchial tubes and lungs with little drops of healing, quickly curing the disease that is louged in the air cells. So quickly does it cure these diseased parts that it seems like magic.

Stomach medicines and atomizers are worse than useless (as any doctor will tell you), as they fail to reach the affected parts.

There is only one way to cure catarrh and other diseases of the throat and lungs, and that is by Catarrhozone medicated air treatment.

Catarrhozone is simple and convenient, prompt and certain to cure.

Stops the dropping and hawking, and restores the throat, air passages and lungs to a healthy condition. No one should suffer discomfort from throat irritation when Catarrhozone will cure in a short time.

Price 25c and \$1, at all druggists, or by mail, postpaid, from N. C. Polson & Co., Kingston, Ont., or Hartford, Conn.
