[Special to The Advertiser.]

Wingham, April 26.—A sale of work made under the auspices of the Ladies' Aid of the Baptist Church, was held yesterday afternoon and evening in the council chambers, and was a great success.

The hall was attractively decorated with red, white and blue bunting and ferns and plants. The stands were in charge of the following ladies:

Cooking—Mrs. McDonald, Mrs. Anderson, Mrs. Hinchcliffe.

Fancy work—Miss Dinsmore, Miss Kelly, Mrs. Blackhall. This included an assortment of burnt leather and work boxes made by the pastor, Rev. G. V. Collins and Mr. Roy Munday.

HORRIBLY INJURED BY BURSTING FIRECRACKER

Franklin Raycraft, of Sarnia, May Not Recover From Internal Hurts.

[Special to The Advertiser.]

Sarnia, April 26.—Franklin Raycraft, a young boy, living in the north end of New York, injured by the premature explosion of a firecracker which he was holding in his hand. The concussion tore a hole in his abdomen and removed the thumb and first finger on his right hand. He was removed at once to the Sarnia Hospital, where he is reported to be in a very serious condition. Whether the lad held the cracker purposely out of youthful bravado or was not aware that it had been lighted is not known.

Earl Judson was arrested by a Grand Trunk detective last night charged with "loitering in the yards." The two draker youths, who were arrested here a week ago, were returned to Hamilton today. The boys when apprehended had a revolver and flashlight in their possession, and told the police several different stories. It was learned, however, that the lads had run away from their home in Hamilton with the intention of seeing the world. Pending the arrival of information from that city, the pair were held here until today, when a message came asking that they be returned to their home there.

A. E. Mackey, of London; M. F. Becht, of New York, and R. Mackey, and A. Mainley, of London, are guests at the Vendome.

SPRING HORSE FAIR LARGELY ATTENDED

Annual Show at Brucefield Was a Great Success.

[Special to The Advertiser.]

Brucefield, April 26.—The large shipments of fine horses that buyers from all over the country have been making from this district lately plainly showed at the annual horse fair held here yesterday. While some splendid animals in both the light and heavy classes were shown, the number was not up to that of former years. Dr. C. A. Routledge, of Lambeth, judged the light horses, and Mr. Charlton, of Ilderton, the heavy grades, and both gave the greatest satisfaction. There was a large crowd of farmers from all over the district in attendance.

ORGANIST SURPRISED

A Presentation Made to Miss Margaret Talbot.

Miss Margaret Talbot, who has been organist of the Methodist Church, London Junction, for some time, was pleasantly surprised the other evening, when the members of the choir and congregation came to the residence of her parents, Mr. and Mrs. W. H. K. Talbot, at the asylum, and presented her with an address and a very handsome secretary and bookcase. The address was read by Miss F. Hogg, and the presentation was made by Mr. T. H. Lashbrook. Great regret was expressed at the resignation of Miss Talbot, but all joined in wishing her happiness and long life, wherever her lot was cast. The ladies of the choir also gave her a linen shower. The evening was spent in social and music after which a delicious lunch was served. Miss Talbot is very popular at the Junction, and she will be missed greatly in church circle.

WAS ALL RUN DOWN.

Doctors and Medicine Failed To Cure Him.

Many people become run down, but don't know just exactly what their trouble is. As a rule it is improper circulation of the blood, owing to not just taking proper care of themselves. All they want is a good tonic to build up the system and put their blood in proper shape, and for this purpose there is nothing to equal Burdock Blood Bitters. It regulates the stomach, liver and bowels, purifies the blood and tones up the entire system. Mr. Murdoch A. Morrison, Tarbot, N.S., writes:—"I
