Experience will not be lacking, however, and the troublesome positions are to be well filled with men of calibre and repute. Mullen's ability is known, and there is no doubt that he will settle with the Brants.

NEW YORK GIANTS HOME TO GET WARM WELCOME

New York, April 13.—Home from their training in the south, the New York National League Club was ready today for a double-header with the Yale nine. These were the only exhibition games to be played on the home grounds, as the regular season opens tomorrow.

GREAT SHOT MADE AT BILLIARD TOURNAMENT

One of the most spectacular shots of the world's three-cushion tournament in Chicago was made by George Moore in his match against John Daly in the play-off for first place. In the 47th inning Daly left the balls almost frozen at the top of the table. Moore saw an opening for a calculation shot. He played off the white ball, going around the table for four cushions. His cue ball connected with the red ball which had been driven to the side rail across to the right top corner.

JOHN PASCOE DEAD; PROMINENT HORSEMAN AND GREAT SPORTSMAN

LOVER OF THOROUGHBRED HORSES AND HAD ENTRY IN QUEEN'S PLATE.
[Special to The Advertiser.]
WOODSTOCK, April 12.—John Pascoe, a life-long resident of this city, died this morning of a blood poisoning, which started from a scratch in the hand and spread through his system. He was born here 78 years ago. For the past eight years he had managed the "Fire" farm, the property of J. W. Boyle, of Dawson City, following 33 years of being in business for himself in the east end.

Mr. Pascoe took keen interest in all sports. He was a good baseball player, a skilful cricketer, a good shot, a fleet runner, a splendid billiard player, and a lover of thoroughbred horses, of which he owned several, and one of which he had entered in the Queen's Plate.

There are left to mourn him a widow and daughters, Mrs. A. Windsor, Lis-towel; Mrs. Robert McKay, Toronto; Mrs. Alf. C. White, Los Angeles; Mrs. Roger McKay, Hamilton; and Mrs. R. H. Walton, Sudbury. The funeral will take place Wednesday afternoon at 2:30 o'clock to the Baptist Cemetery.

FUNERAL OF J. W. CLARK.
PORT STANLEY, April 12.—The funeral of the late J. W. Clark took place on Sunday, and was largely attended. The service at the house was conducted by Rev. Mr. Durant, and at the grave by I. O. O. F. Lodge, 96, of St. Thomas.

The floral offerings were beautiful. Mrs. Stacey and Mrs. Jane Nicholas attended the funeral of George Hindley in St. Thomas on Saturday, the former remaining over for a few days.

IF HEAD ACES AND YOUR EARS BUZZ YOU SURELY HAVE CATARRH

It doesn't matter how long you have suffered, or how often you have failed to get relief—even though catarrh may affect every organ in your body, you can be permanently cured by inhaling the soothing vapor of Catarrhazone.

A few breaths through Catarrhazone inhaler clears the phlegm out of the throat and stops your cough. The nostrils are cleansed of offensive mucous discharge, and sneezing and sniffing stop at once. Partial loss of hearing and headache (very common symptoms of catarrh) are quickly cured, and in a short time every trace of catarrh disappears. Nothing can be simpler or more

AFTER TWO YEARS ON CLEVELAND BENCH HE MAY STAR WITH OUTLAW FEDERALS

NICK CULLOP, pitcher, of Kansas City Feds, who jumped from the Cleveland team this past winter because he claimed he wanted to pitch ball, not sit on the bench all the time, Cleveland secured Cullop in 1912, but he did not appear seasoned enough, and although he was kept on the club he got few opportunities to work. Last season he was tried a few times, but was not worked regularly, lack of control being his worst fault. With the Kansas City Feds this season he looks good, and he shut out the Pittsburgh Feds with five hits yesterday in his first Federal League start.

REVIVAL OF LACROSSE EXPECTED AT STRATFORD

Good Material for Strong Team Has Been Located in Classic City.

STRATFORD, April 12.—According to lacrosse enthusiasts there is every indication of a big revival of the national pastime in Stratford this summer. Several likely boys have been located, and it is known that there are others who can play the gutted-stick game with ability.

An effort was made to get things going last year, but nothing resulted. This year, however, those behind the move feel confident that they can gather together a real good team.

Hamilton Team Will Get Two Weeks of Training

Manager Cristall Will Have His Players Report May 5—Has Decided To Pass Up Dunlap, Former London Short-Stop.

HAMILTON, April 12.—Manager Billy Cristall, of the Hamilton club, will report to this city on April 20, and then will commence the real, live interest in the club's workings. He will order his aspirants here on May 5, exactly two weeks previous to the opening of the season.

Cristall has a harder job ahead of him than any of the former managers of the local club. The time for spring training is limited to two weeks, and in that time he will have to weed out his surplus material. It's a short time in which to get in as much work as he would like, but he has not rounded up any too many and hopes to be in fighting trim when the going gets the clubs on their four months' dash for the gonfalon.
