tompany, to the apprentice present-ing the best drawing at the Canadian National Exhibition. The drawing the family residence on Friday. was of a 6,000-class Mountain-type locomotive, complete with all equipment.

school will be discussed, and in this bootleggers have become fewer in connection information of what is being done in St. Thomas will brobably be presented. In St. Thomas the joint school idea is being worked out. The suggestion was made this morning by a member of the Strat-ford board that the question here might be shelved for ten days to see how the St. Thomas plans work out

THURSDAY CONGOLEUM WINNERS ANNOUNCED

Winners of Gold Seal Congoleum drawing contest yesterday are announced as follows:

CHURCH VANDALS

Buffalo-Goderich Line of C. Minnesota Officials Inquire About Imperial City Incident.

VESSELS STOLEN

Special to The Advertiser.

Sarnia, Sept. 11.-Chief of Police spatcher's line telephone between W. J. Lannin today received a com-Buffalo, Stratford and Goderich on munication from Bert Canute, chief the C. N. R., was put into use for of police at Crookston, Minn., asking the first time yesterday. Twenty for information regarding the Garner elephones have been installed in the brothers, charged with desecration of St. Joseph's Catholic Church here, Despatchers found the new line very satisfactory when first tried but. This is the second branch on which the telephone is being used for despatching, the same system being in use on the Toronto to Sarnia line.

St. Joseph's Catholic Church and held on bail to appear in the supreme court. The Catholic Church of Crookston was entered last Sunday, the vandals making off with two chalices, one ostensorium, two lunulas, two ceboriums, three candlesticks, one missal stand, one ewer sticks, one missal stand, one ewer Near Frost.

Although the weatherman keeps flirting with frost, as yet he has not let the thermometer drop to the danger point—32. Last night the mercury went as low as 36 the same connection between the two.

meetings in St. Clair, Mich., on Sun-Prizewinner.

George Hudson, apprentice at the Stratford shops, who won first prize in mechanical drawing at the Toronto Exhibition, has received from the Geo. S. Trudell Company, London, a special set of drawing instruments, given as an additional prize by the temperature of the apprentice present.

With the advent of cooler weather an apparent slump in demand for beer is being evidenced along the St School Problem.

A meeting has been called for tomorrow night of the special committee of the city council and the board of education to discuss the best method of providing increased accommodation for secondary education.

The question of the vocational the discussed of the question of the vocational that the discussed and in this been is being evidenced along the St. Clair River, according to reports issued by authorities today. The number of prisoners taken by officers in the river district and captures of huge quantities of illegally transported and possessed intoxicating liquors during the summer months averaged as high as two and three per week, but for about two weeks beotleggers have become fewer in In the good old days a day was any one of seven—it might be Saturday it might be Friday, and a week was this week or next week, was just a plain week. Then came Mothers' Day, followed by Candy Day and a host of other days. The weeks changed "Fire Prevention Week" and a death, and another patient, Semion Maileut, aged 84, who was sleeping in the same room, was suffocated. Both men were residents of St. Hyathese he set fire to his bed.

The mark will be 42 feet from the starting point.

The Detroit motor transport department has adopted the 42 feet stopping of the hospital his effects were searched, but a few matches in an inner pocket were not observed, and with these he set fire to his bed.

BUILDING PERMITS TOTAL \$46,000 SINCE SEPT. 1

Railway.

scenes to be visited in Egypt and India. The Egyptian picture shows the desert, pyramids and Suez Canal, with boats moving along its opal

blue, with Egyptians sitting about attired in native garb. In the back-ground of the Indian picture are

mosques and temples with turbaned natives squatting in the foreground.

There are also ten transparencies of points to be visited on the two cruises tastefully arranged along the

front of the exhibit.

Automatic electric signs read:
"Round-the-World cruise by Canadian Pacific, the voyage of a lifetime, a 130-day tour on the magnificent

steamer, Empress of France, visiting 27 gateway ports, leaving New York January 14, 1925." The second reads:

"Next winter a Canadian Pacific cruise of the Mediterranean, visiting

the picturesque and colorful regions of the cradle of our civilization, a 62-

day cruise on the Empress of Scot-

land, leaving New York February 9

A separate stall, but part of the

A separate stall, but part of the C.P.R. exhibit, contains a number of fine pictures illustrating the fishing sport to be had along the French and Nipigon Rivers of No. 10 Ontario.

Facts concerning the C. P. R. are ranged on various boards giving the information that the C. P. R.

system embraces 20,000 miles of rail-road; two fleets of steamers, one on

the Pacific and the other on the At-

lantic; palatial hotels throughout the Dominion, and last, but not least, a

dependable telegraph service.

Pamphlets and books being distributed by those in charge of the exhibit detail the wonders of the system and the multitudinous points of interest to be reached by means of

SEWAGE PUMPING STATION

NOW BEING CONSTRUCTED

One of the many liittle jobs now

One of the many little jobs now under way in the department of the city engineer is the building of a sewage pumping station at the corner of the Wellington road and High

street which has just been com-

This station will pump the sewage

from the low-lying sections along both sides of the river into the main sewer that will carry it to the sewage

disposal plant. With the exception of the disposal plant all the work on this system will be practically

completed when the pumping station is finished.

City Engineer Near stated that the

disposal plant will probably be erected next year. The cost of this will be approximately \$50,000. Plans

are already being prepared for this. W. F. Dallyn, of the provincial board of health, is acting as consultant, and

FAIR IS HELD BY SCHOOLS IN PLYMPTON TOWNSHIP Forty Men and Fourteen lawn will result.

Camlachie, Sept. 11.—The third annual school fair of sections 6, 10, 12, 13 and 20 of the township of Plymp-ton was held in Camlachie on Tuesday. The exhibits were displayed in the I. O. O. F. hall, and the live
