## TOWN COUNCIL HOLDS MEETING

Little Business Done—Only Three Councillors in Attendance.

A meeting of the Town Council was held in the Clerk's office Tuesday evening, His Worship Mayor Murray presiding. There were present Councillors Ingram, Bisett and Devereaux.

The minutes of the previous meetings were read and approved. As the last payment on account of the purchase price of the property upon which is situated the electric light station and park has been made the Shives Co. has given the necessary deed and transfer of lease, thus vesting in the town all this property.

The Clerk was authorized to have the above documents recorded. H. P. McNaught made application for permission to install a gasoline tank on street near E. Sullivan's store. Permission granted, subject to regulations.

Clerk read a letter from Mr. Waterbury of the Public Works Dept. re clock tower asking for information in reference to same. The Town Clerk was instructed to answer the letter, explaining that the Post Office was in a district which the bylaws distinctly states all buildings must be of fireproof construction.

Campbellton was invited to have a representative attend the Fire Chief's convention to be held July 7th at St. Stephen.

This matter was referred to the Fire Protection Committee with power to act. Chief O'Donnell brought the matter of the Fire Alarm System to the attention of the Council.

Mr. Farrer explained that the system needed new batteries and a switchboard. The present batteries were burned out. It would cost about \$185.00 to renew these, but it would take three months to get these repairs.

Coun. Devereaux moved that the recommendation of the Fire Protection Committee for a switchboard, new batteries and repairs be adopted and supplies ordered.—Carried.

The Clerk read letters from various towns in reference to relief of St. Quentin. Placed on file.

Departmental accounts were read and ordered paid.

His Worship stated that His Honor Judge McLatchey had invited the Council to take part in the official laying of the corner stone of the Soldiers' Memorial Hospital on July 1st. On motion of Coun. Devereaux the Council accepted the invitation of the committee of the Soldiers' Memorial Hospital to participate in the ceremony of laying the corner stone of the Soldiers' Memorial Hospital on July 1st.—Carried.

As His Worship was called away on an urgent case the Council adjourned.

**MALLEY-SAVAGE.**  
A quiet but pretty wedding was solemnized at the home of Mr. and Mrs. Eugene Savage Wednesday morning at 8:30 when their eldest daughter, Bertha Ethel, was united in the holy bonds of matrimony to Mr. W. W. Camp by Mr. Leslie R. Malley of Chatham, in the presence of the immediate relatives of contracting parties. The bride, who looked charming in a suit of navy blue with hat to correspond carried a shower bouquet of American beauty roses, sweet peas and maiden hair fern. After the ceremony a wedding breakfast was served. The happy couple left on the Ocean Limited for a trip to different parts of Nova Scotia. On their return they will reside in Chatham.

Washington—Since the beginning of war in 1914 the United States has rolled up a trade balance of approximately \$17,000,000,000 against the world. This exceeds by several billions of dollars the total balance in favor of the United States from 1875 to 1914.

**G. W. V. A. TEAM DEFEAT K. OF C.**

On Friday Night in a Most Interesting Game—Score 12 to 9.

The G.W.V.A. took the K. of C. to camp Friday night to the tune of 12 to 9. This was one of the most exciting games so far this season, the first inning being very disastrous for the K. of C., Boudreau not being as effective as he was on the opening night, the Vets tallying six runs against him in the first inning. He was relieved by Lavoie in the second inning.

The K. of C. showed good sporting spirit by not getting down-hearted and came back strong in the fifth inning by chalking up four scores to their credit.

Because of the rain the game scheduled for Monday evening was cancelled.
