

THE PARK DRIVE SUBDIVISION

YONGE-STREET.

Bounded on the North by MACPHERSON-AVE.,
on the East by YONGE-STREET
and on the South by
WEST - ROXBOROUGH - AVENUE,

And Yielding in all Over 2700 Feet Frontage.

This beautiful tract of central property possesses the intrinsic value which careful investors seek

As a desirable location for house building purposes it presents the advantages of convenience of Situation, and prices which bring the lots within the range of all persons of moderate means.

This is the only important Subdivision of YONGE-STREET CITY PROPERTY that has been offered to the public for years.

Macpherson-avenue, the Northern boundary of the property, is block-paved, and has sewerage, gas, water and shade trees.

The YONGE-STREET CARS pass the East front of this property EVERY 3 MINUTES.

WEST ROXBOROUGH-AVENUE.

The Southern boundary of this property, is being TERRACED ON THE NORTH SIDE, and LAID WITH SEWER, GAS AND WATER. On the completion of these works the Street will be paved with ASPHALT. When this thoroughfare, 70 ft. in width, is completed, it will be one of the most beautiful in the city. Ornamented with SHADE TREES and the houses built 25 feet from the boulevard, it will practically make a Street 120 feet in width, and in all probability will form part of the BOULEVARD AND PARK DRIVE SYSTEM of Toronto.
