OR IF YOU WAKE IN THE DARK
One of our Alarm Clocks with luminous face would be handy. It will show you the hour any time at night or day. They cost only $1.50 (a dollar and a half). These clocks keep good time and are very, very cheap. They have been selling heretofore at about four times our prices.

A capitalist is merely a man who does not spend all that is earned by work.
MONEY SAVED IS MONEY GAINED. WEALTH
Is accomplished not always by large earnings but more often by systematic saving. Steady accumulation, with interest adding continually, is what tells. Many of our most prominent business and financial men have attained their present positions by the regular practice of thrifty habits. We have undoubtedly the best method for saving now before the public. This form of investment has engaged the attention of some of our best financiers and it has been completed satisfactorily in every detail. We offer bonds at $100, $200, $300, $400 and $500, payable in 5, 10 and 15 years. Payments may be made monthly, quarterly or annually, on the basis of $2.45 monthly for a $500 bond. This means only eight cents per day. If through any reason payments are discontinued after the first annual payment a paid-up bond for the amount is issued with interest thereon. This corporation having an authorized capital of One Million Dollars the payment of bonds is absolutely secured. Parents would do well to subscribe for bonds for their children. It will come in well for them and at the same time inculcates saving habits. Young men, lay by a little every week from your earnings and observe how fast it will accumulate.
