

HALL'S CATARRH MEDICINE

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

KIDNEY TROUBLE?

The Kidneys are the Blood Filters—

When they Weaken and Stop Up,

with Uric Acid

Niagara Falls, Ont.—"I have used

nearly all of Dr. Pierce's medicines

and take great pleasure in giving

them a boost. The Anuric Tab-

lets are the greatest benefit to man-

kind. I was suffering with kid-

ney trouble and was rejected by

different insurance companies.

Today I am holding three good

policies. All I

ask the readers of this is to give the

Anuric Tablets a trial, and become

a life user in the future."—William

HEALTH IS YOUR MOST VALU-

ABLE ASSET

Montreal, Que.—"I cannot praise

Dr. Pierce's Anuric enough for what

it has done for me. For three

months I was under the doctor's care

and got no better. I was always

complaining of my kidneys. Finally

I made up my mind to try Dr.

Pierce's Anuric Tablets. I took two

packages and don't complain any

more. I have gained in weight and

am still gaining. My appetite is

great and sleep has come to me.

That is what the Anuric Tablets have

done for me. I truly recommend them

to those who are suffering from kid-

ney ailments the way I did. They

are mighty good, though not expe-

sive; easy to buy, but hard to beat."

HOCKEY

The Sarnia Canadian-Observer of

Friday last says:

Watch out for Watford.

With the hockey season less than

three weeks away the different teams

in this district are commencing to

line up their players out in the light

where they can be seen and Watford,

they of "pillbox" fame, are not let-

ting any grass grow under their feet.

The latest acquisition of the village

squad, and one that is going to

cause the local squad a lot of worry

is Hee Cowan, formerly of this city,

who is dispensing law in Forest at

present where he has been playing

amateur baseball all summer.

Cowan, a protege of George Daw-

son's is one of the likeliest hockey

prospects Sarnia has turned out in a

long time. He has enough weight to

carry him anywhere, a little more

than the average turn of speed and

in one of the most aggressive players in

the district and one who thrived on

body checking when he last played

in this city with the Perfection Stove

team years ago when they won the

championship from the Bear Cats.

Watford with Rogers in goal, and

players like "Happy" Dods, "Curly"

and Irwin and the youngsters Bruce

will make a strong spurge in the

district with the addition of Cowan

who will take a certain amount of

hockey knowledge to the village with

him.

People who are in close touch with

Watford since they started in on

their new arena project last spring,

state that the village must be taken

seriously or the overconfidence is go-

ing to cost someone dear.

INTER-COUNTY LIVE STOCK

JUDGING COMPETITION

In conjunction with the Provincial

Winter Fair held in Guelph, an inter-

county live stock judging competi-

tion is held annually. The competi-

tion is composed of three young

men from each county, under 25

years of age and chosen by the Agri-

cultural Representative. The judging

team is chosen from the young men

who have previously taken a Four

Week's Short Course in Agriculture.

Twenty-one county teams competed.
