THE Freeholders of the County of Charlotte.
GENTLEMEN,
You are again called upon to exercise

for your suffrage. And should I have the
honour of being returned one of the members,
for the County, I can only say that I will

gislate as well for the poor as the rich.

Born and brought up in the country, and
residing for the last fifteen years in this
County, flatter myself that I am somewhat
conversant with the wants and requirements
of the people. For your support, I shall
feel much obliged.

Your Obedt. Servt.

To the Independent Electors of Charlotte.
THE Subscriber begs to inform the Freehold-
ers of the County, that he offers himself as
a Candidate at the approaching Election, and so-
licit their suffrages in his favor. At the Hust-
ings he will give his views as to the policy he
would support should he be so fortunate as to be-
come the object of their choice. In the mean-
time, he will state for their information, that he
is distinctly opposed to the surrender of the Initia-
tion of Money Grants to the Executive, and will
go for Protection and a Bounty on Fish.

Perhaps it would not be amiss to state, as briefly
as possible, my views respecting the embar-
rassed state of the Province. I am fully im-
pressed with the belief that, to remedy our distress-
ful state of trade, the duties on imports should be
regulated so as to encourage the productive lab-
our within the Province, by employing their in-
hour instead of foreigners, while at the same
time, a proper allowance should be made for such
articles as the country could neither produce, nor
manufacture. I will also devote my energies to
encourage Railroads and other public works,
which will be the means of opening our fine Pro-
vince. I hope, Gentlemen, at all events you will
go to the Polls free and unbiased, and elect hon-
est, upright, independent, and talented men as
your Representatives: you have Candidates
enough to choose from.

I am, Gentlemen,
Your obedient servant,
JOHN CARSON.

of age, to learn the Printing business.
STANDARD OFFICE, April 23rd, 1850.

In drawing attention now, at the commencement of the Spring Trade to our Large
Establishment, CORNER OF KING AND CROSS STREETS, we wish
briefly to enumerate the advantages which we offer to our Customers and the Public.
We have always studiously avoided claiming to ourselves any power of selling at thirty
or forty per cent. under others in the trade, but simply rested our claims on our exten-
sive experience—buying our Goods direct from the best Manufacturers at Cash Prices.
In commencing the Clothing Business some time ago, in St. John, in addition to our
large Custom Trade, we introduced a scale of prices little known previously to the re-
spectable class of the public; this we were enabled to do, by entirely rejecting the long
credit system, and supplying first rate articles at a moderate scale of Profit for cash.
Our theory has invariably been, that improvements can always be introduced. This
year we endeavour to do better than last.

PRICES THE LOWEST, QUALITY THE BEST, AND WORKMEN SUPERIOR
And by thus continuing to progress during the few years we have been in business, we
apprehend we have now brought our business to a point surpassed by none.
The superiority of our style of Cutting is well known. The newest Paris and London
Styles are introduced as early as in New York or Boston, and every improvement is at
once adopted. In alluding to the large Stock of Clothes in our Establishment, we may
merely state that it comprises the best assortment of FRENCH and GERMAN
TWILLED, CLOTHS, and DOESKINS, of every shade and colour to be found.
Having thus alluded to the general arrangement of our business, as far as regards the
Order Department; we wish particularly to draw attention to the other very large and in-
creasing branch of business, viz:—
THE EXTENSIVE READY MADE DEPARTMENT.

Of this branch, we may say that every article in our Establishment is made up as care-
fully as if ordered. No workman is too good to be employed by us. We make all de-
scriptions of Garments, up to the highest priced Coats. Numbers have proved and ac-
knowledge the value of being at once fitted.
Some idea may be formed of the system pursued, when we state that in Coats we keep
thirty-six sizes, so that all shapes and heights may feel a certainty of being fitted.
To enumerate the varied Stock would far exceed the limits of an advertisement, but
our customers will find on visiting the

PANTECHNETHECA,
Corner of King and Cross Streets, that all their expectations will be fully realized.
A SUIT OF MOURNING at five minutes notice.
St. John, May, 1850. GARRETT & SKILLEN.

Holloway's Ointment.

EXTRAORDINARY CURE
OF A CASE ABANDONED BY CITY, THE METROPOLITAN,
ITALY, KING'S COLLEGE, AND CHARING
CROSS HOSPITALS, LONDON.

This Affliction was known to the Lord Mayor
of London.
WILLIAM BROOKE, of No. 2, Union Street
Southwark, London, Messenger, maketh Oath
and swears that he (this deponent) was afflicted
with FURIOUS RHEUMATISM, on his left Arm
and Ulcerated Sores and Wounds on both Legs,
for which the deponent was admitted an out-door
patient at the METROPOLITAN HOSPITAL in April,
1841, where he continued nearly Four Weeks—
Unable to receive a cure there.

THE DEPONENT sought relief at the three
following Hospitals—KING'S COLLEGE HOSPITAL,
in May, for five weeks, at GUY'S HOSPITAL, 3d
July, for six weeks, and at CHARING CROSS Hos-
pital, at the end of August, for some weeks
more; which the deponent left, in a far worse
condition than that in which he had quitted GUY'S
when Sir BENJAMIN COOPER, and other medical
Officers of the Establishment had told the deponent
"that the only chance of saving his life was to
lose his Arm."

THE DEPONENT, thereupon, called on Dr.
BRIGHT, chief Physician of Guy's, who, on view-
ing deponent's condition, kindly and liberally said:
"I am utterly at a loss what to do for you, but here
is a half sovereign, go to Mr. Holloway, and try
what effect his Pills and Ointment will have, as I
have frequently witnessed the wonderful Effects
these have in Desperate Cases! You can't see your
again!"

THIS UNPREJUDICED advice was followed
by the deponent, and a PERMANENT CURE was ef-
fected in THREE WEEKS by the use of Holloway's
Pills and Ointment, after THREE HOSPITALS had
failed! When Dr. BRIGHT was shown, by the
deponent, the result of his advice and charity, he
said,—"I am both astonished and delighted! for I
thought, that if ever I saw you again, it would be
without your Arm—I can only compare this cure to
a charm!"

Stoken at the Mansion House of Wm. BROOKE
of the City of London this 5th
day of March, 1842.
Before me,
J. PRIE, Mayor

This extraordinary Ointment will cure the
