CONGOLEUM RUGS

Ideal for the living room

Congoleum Rugs have aided in solving what was a perplexing problem to many housewives—how to make the living room cheerful at moderate cost.

Congoleum Rugs are made by a new and wonderful process. They do not fade in the sun, lie flat without fastening and never "kick up". To clean them, wash them for they are waterproof. Congoleum Rugs are a remarkable value.

This shows Congoleum Rug No. 32. The colors are Pompadour red with two shades of tan and forest green giving a quiet Oriental effect.

Many new and attractive designs in Oilcloth, 1 and 2 yards wide. Linoleums 2 and 4 yards wide; also Heavy Inlaid Linoleums, 2 yards wide.
