temporarily lowered, and your system is therefore unable to withstand the attacks of harmful germs which are being constant-y breathed in. The germs have, therefore, settled in your throat and caused inflammation, and to prevent more serious trouble these germs must be destroyed. A Peps pastille dissolved on the tongue throws off Pine vapor, which is as certain a germ-de-stroyer as the Pine laden air of the Swiss Mountains, which doctors so highly recommend. These Pine fumes are breathed down into the air passages and lungs, soothing and healing the inflamed membranes that medicine swal-lowed into the stomach could not
