

States can be induced to co-operate with us in the Christianizing and civilizing of Africa by a law which may enable all those black slaves who, showing sufficient economy and forethought to save money for self-purchase, are willing to buy themselves, on condition of going to Africa, much good can be accomplished. It is my belief, you may as well attempt to improve the morals, and add to the happiness of idiots, by turning them out of asylums, as to imagine you can benefit the 'darkies' by abolitionism.

Yours affectionately,

A. M. M.
