The above is a copy of the first receipt from China for money sent by cable from 'Witness' readers.

The 'Witness' Fund this week passes the six thousand dollar mark. The subscriptions received exceed in number those of any week since the Fund was opened.

The subscriptions of 'Witness' readers are being cabled to the Relief Committee—an entirely undenominational body—through the Rev. Mr. McGillivray, the Canadian missionary, who will see that his country gets credit for every dollar sent, and that not a cent is diverted from the purpose for which it is given.

The 'Witness' fund was started at the request of Montreal Chinamen, members of the Christian Endeavor Society, who headed the list with a generous donation.

A little money does so much. Ten cents a day will save a small family.

Twenty cents will save a life for a week. One dollar will save a family of five for a week.

Five dollars will save six lives for a month.

Immediate contributions to the relief fund are invited. All sums received will be acknowledged in these columns.
