### "THE JOURNAL OF TEMPERANCE"

Is a new monthly periodical, devoted to the interests of Temperance. It is published the 1st of every month at 50 Cents per Annum.

The "Journal of Temperance" has been undertaken at the suggestion of friends, who take a deep interest in the Temperance cause, in consideration of the fact that at present there is no periodical published in Canada whose pages are specially occupied with Temperance literature, and adapted by price and principles for general circulation.

This periodical will not be the organ of any of the Temperance Societies. Some of these have organs specially devoted to Temperance, and to the peculiarities of their own organization. With such no interference will be made. It will advocate the disuse of all that intoxicates as a beverage or as an article of entertainment, and go in cordially for a prohibitory law.

We do not pledge ourselves to any particular method in conducting our periodical, nor make rash promises that may be difficult or impossible to redeem; but shall do our best on all occasions to make it as suitable for the object contemplated as we possibly can.

We will feel obliged by our subscribers using their influence towards having it introduced in their neighborhood. Specimen copies sent on application.

### TO SUBSCRIBERS.

Travelling Agents in connection with this Office are provided with printed receipts, to give to Subscribers to "Evangelizer," "Glad Tidings," "Good News," and the "Journal of Temperance." Subscribers will carefully keep their receipts, and if their paper does not reach them as expected, they will please send on the receipt to this Office, Prescott, and the matter will be attended to.

Subscribers to our publications will greatly oblige us by remitting their subscriptions without waiting for any of our agents coming round. And when they remit their own, let them remit as many new subscriptions as they can procure.

We expect always to have a few good agents travelling in the country, but we cannot afford to send agents every year into the same district.
