A VERY pleasing event took place the other evening at Karn Hall, when the pupils and friends of Professor von Konigsberg presented him with a beautiful silver cabinet, as a token to mark the occasion of his recent marriage. Before the presentation took place several excellent selections were rendered by Mr. F. Morris, pupil of Professor von Konigsberg. Several piano selections were also given during the evening by Miss Lillian Craig and Mr. Robert McDonald, both pupils of Professor von Konigsberg. Among those present were: Mrs. C. W. Lindsay, Miss Craig, Miss Parkes, Miss Studer, Misses Abraham, Miss Wilson, Miss McManis, Misses Kellery and Miss Silver; Messrs. Professor Landry, George Leithhead, Dr. Giles, Wm. Wilson, Robt. McDonald, A. Winter, Fred Morris, G. M. Sin and many others.

ALL AND EVERY ONE - -

at this important season in the fur trade, to visit their immense assortment of FINE FURS of all descriptions, beg to draw special attention to the fact that on account of the very heavy stock on hand, which must be disposed of without delay, they have decided to sell at such low prices as will surprise every one who will honor them with a visit.

Old Furs re-dyed, re-made, and repaired with neatness and despatch.

Our Seal and Persian Lamb Jackets are world renowned.

A SCIENTIST who carefully noted a spider's consumption of food in 24 hours concluded that, if the spider was built proportionately to the human scale,

he would eat at breakfast (approximately) a small alligator, at 7 a.m. a lamb, at 9 a.m. a young camelopard, at 1 o'clock a sheep, and would finish up with a lark-pie, in which there were 10 birds.

INFORMATION FOR CANDIDATES.

THE ANNUAL EXAMINATION for Cadetship in the Royal Military College will take place at the Head-Quarters of the several Military Districts in which candidates reside, in June of each year. Evidence satisfactory to the Head-Quarters Board of Examiners of Matriculation in the Faculty of Arts, within the previous 12 months, will be accepted in lieu of passing the obligatory examination. Such matriculants will rank, for admission to the College, in alphabetical order after those who pass the obligatory examination.

In addition to the facilities the College offers for an education in Military Subjects, the course of instruction is such as to afford a thoroughly practical, scientific and sound training in all departments which are essential to a high and general modern education.

The Civil Engineering Course is complete and thorough in all branches. Architecture forms a separate subject.

The course of Physics and Chemistry is such as to lead towards Electrical Engineering, Meteorological Service, and other departments of applied science.

The Obligatory Course of surveying includes what is laid down as necessary for the profession of Dominion Land Surveyor. The Voluntary Course comprises the higher subjects required for the degree of Dominion Topographical Surveyor. Hydrographic Surveying is also taught.

Length of Course three years.

Five Commissions in the Imperial Regular Army are at present awarded annually.

Board and instruction, \$100 for each term, consisting of ten months' residence.

For further information apply to the Deputy Assistant Adjutant-General at Head-Quarters, Ottawa.
