ABSOLUTELY PURE.

Ladies who are particular about their baking must use it in preference to any other powder.

ASK YOUR GROCER FOR IT.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, SCROFULA AYER'S SARSAPARILLA will dislodge it and expel it from your system.

For constitutional or scrofulous Catarrh, CATARRH true remedy. It has cured numberless cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

"Hutto, Tex., Sept. 28, 1882.
"At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.
Yours truly, B. F. JOHNSON."

LITERARY.

The following productions are from the pen of the Rev. Dr. Bryce, of Winnipeg, during the past year, and while chiefly on subjects related to the work of the Chair of Science and Literature in Manitoba College, are of general interest:

1. PRESBYTERIANISM, WHAT IT HAS DONE AND WHAT IT MAY DO IN THE CANADIAN NORTH-WEST. Published by the Synod of Manitoba. (The Moderator's Sermon on the opening of the first Synod of Manitoba, July, 1884. Mainly a historic retrospect.)

2. A PLEA FOR A CANADIAN CAMDEN SOCIETY. Published by the Royal Society of Canada. A plan for the publication of early Canadian books—now out of print—for the use of historians and others. The Royal Society has a committee at work on the subject.

3. OUR INDIANS. Published by the Y.M.C.A. of Winnipeg. A lecture delivered in December last, and showing some of the causes of the late rising.

4. COAL. A Lecture before the C. P. R. Literary Society of Winnipeg. A description of the Coal Beds of the North-West.

5. EDUCATION IN MANITOBA. Published by the British Association of Science. A paper given in full in the beautiful Memorial Volume of the late meeting. Printed in Montreal.

6. THE MOUND BUILDERS. Published by the Historical and Scientific Society of Manitoba. Dr. Bryce is an active explorer, and a fortunate discoverer in the Mounds of the North-West. This gives the result of his personal observations.

7. THE FIVE FORTS OF WINNIPEG. Now being published by the Royal Society of Canada. Description with maps of Forts Rouge, Gibraltar, Douglass, Old Fort Garry, and Fort Garry within the limits of the City of Winnipeg.

8. THE LACCOON OF EVOLUTION. Published by the British and Foreign Evangelical Review. A criticism of articles by Herbert Spencer and Frederick Harrison, in the Nineteenth Century Magazine, and the grounds given for a Christian Theism.

The greater part of the above publications can be had separately from W. D. RUSSELL, Bookseller, Winnipeg.
