CURED.

BRINSTON'S CORNERS, ONT., Sept. 24th, 1885.

GENTLEMEN,—Your Truss has succeeded where all others failed, and mine was a bad case. I am a farmer, my work is hard—logging, stumping, pitching, digging ditches, and lifting stone. I never had to quit work, yet your Truss cured me in three months, and I am now as sound as I ever was. Yours truly,

GEORGE GILSON.

This Truss never tips or moves from position, even the sixteenth of an inch. Cures every child, and eight out of every ten of adults. Guaranteed to hold the worst form of hernia during the hardest work or severest strain. Don't waste money on useless appliances; but send for illustrated circular, contains price list, your neighbour's testimonial, and questions to be answered. Call or address "The Egan Imperial Truss Co." Office, 23 Adelaide Street East, Toronto. Mention THE CANADA PRESBYTERIAN.

USE

GOLD SEAL BAKING POWDER.

ABSOLUTELY PURE.

Ladies who are particular about their baking must use it in preference to any other powder.

ASK YOUR GROCER FOR IT.

Scientific and Useful.

A SMALL piece of charcoal placed in your meat larder will keep the articles sweet and wholesome as well as ice. Charcoal is a great disinfectant.

BAKED EGGS.—Break eight eggs into a well-buttered dish, season with pepper and salt, one-half cup of cream, one tablespoonful of butter, set in the oven and bake twenty minutes.

MOTHERS.—Have you delicate, weakly children, who are always taking cold and subject to croup? Remember, there never was a case of croup which did not originate in a cold! ALLEN'S LUNG BALSAM is your remedy.

STEAMED SALMON.—Take the contents of a tin of salmon; pound well in a mortar with seasoning and some dripping; a spoonful of ketchup or anchovy sauce may be added. Mix with a good cupful of oatmeal. Moisten with one egg and a little milk, and steam in a mould for two hours. Serve with sauce or ketchup. This dish is very good when made with bread crumbs and more eggs, but oatmeal may be used in many cases as a substitute for bread crumbs, when extreme economy is an object.

CORN BREAD.—Put two tablespoonfuls of wheat flour into a quart measure and then fill it with Indian meal. Turn this into a sieve, adding two teaspoonfuls of sugar, half a teaspoonful of salt, two teaspoonfuls cream tartar and one teaspoonful of soda. In place of the cream tartar and soda, two heaping teaspoonfuls of baking powder may be used. Sift all into a bowl and mix with one quart of milk, one egg and two teaspoonfuls of melted butter: beat thoroughly and pour into a medium-sized dripping pan well greased; bake in a good oven. When done cut in squares and serve hot for breakfast.

THE continued use of ROBINSON'S PHOSPHORIZED EMULSION invariably cleanses the blood from all impurities and restores the system to a state of healthfulness, that is manifested in increased constitutional vigour, mental activity, and lightness and buoyancy of spirits. Always ask for ROBINSON'S PHOSPHORIZED EMULSION, and be sure you get it.

OYSTERS FOR BREAKFAST.—An appetizing way of serving oysters for breakfast is the following: Put two dozen medium-sized oysters in a saucepan with their own liquid; let them come to a boil, then strain the oysters, saving the liquid; put about one tablespoonful of butter in a saucepan and two of flour; beat and work smooth; add the oyster liquid and let it boil about five minutes, stirring all the while; add juice of lemon to taste and the yolks of two eggs well beaten, salt, pepper and chopped parsley, and then the oysters; serve on toast.

CUSTARD AND APPLE SAUCE.—One pint of the pulp of roasted apples strained, one half pint of pulverized sugar, the whites of three eggs. Beat the whites of the eggs to a stiff froth, then add a spoonful of apple and a spoonful of sugar alternately, beating all together until the mixture stands perfectly stiff on the spoon. It will swell very much. Make a boiled custard of the three yolks of eggs, one pint of milk and two tablespoonfuls sugar, and flavour with vanilla. Place the custard in saucers, cover the apple sauce and serve.

OLD RUNNING SORES.—Sores and Ulcers, or Abscesses hard to heal, are due to bad blood or Scrofula. Purify the blood with Burdock Blood Bitters and the worst sores speedily heal as the general health is restored.

RAISED BROWN BREAD.—Put one quart of yellow Indian meal in an earthen bowl, pour over it sufficient boiling water to entirely moisten it, and let it cool to blood heat; when it is cool mix with it one quart of rye meal, one cupful of molasses, one cupful of home-made yeast or half a cupful of baker's yeast, one teaspoonful of salt dissolved in a little water, and sufficient lukewarm water to make a soft paste; after thoroughly mixing those ingredients put the dough into a buttered earthen or thick iron pan, smooth it on top with a wooden spoon wet in cold water, cover it with a folded towel, and set it in a moderately warm place to rise; when the surface begins to crack open put it into a moderate oven, with another pan turned over it, for four hours; or steam it five hours, and then dry the crust in the oven.

CATARRH:

A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with MESSRS. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada and enclose stamp for their treatise on Catarrh.—Montreal Star
