What is the leading Baker of Toronto say about

PURE BAKING GOLD POWDER

We, the undersigned Bakers of the City of Toronto, do hereby testify that we are using the PURE GOLD BAKING POWDER, and consider it the best Baking Powder in this country, being always reliable and uniform in quality and strength.

We find it produces better results than we have ever been able to obtain from using any other preparation, and have never found evidence of any "soda taste" or discoloration in using it.

NOW READY.

SABBATH SCHOOL REGISTERS AND RECORDS,

PREPARED BY THE

Sabbath School Committee of the General Assembly of the Presbyterian Church in Canada.

The Committee, recognizing the importance of the facts that while there are about 1,603 places at which the gospel is regularly preached, last year, by Presbyterian ministers in Canada, there were reports from only 977 Sabbath Schools, and of that number only 428 are reported as having contributed anything to the missionary work of the Church, have recently given much attention to the matter of recording and reporting the work done in the Sabbath Schools. The average contribution from all the children of the Church during last year was only 16 cents. These facts show that a great deal has yet to be done to bring our Sabbath School system into a thorough condition of efficiency. To attain this end, the Assembly's Committee has prepared a series of Registers and Reports which are recommended for use by Sabbath Schools and Presbyteries, the adoption of which, it is hoped, will be productive of good results. The following is a description of them, with the prices for which they may be obtained:—

1. "The Sabbath School Class Register," for use by the Teacher, containing recording columns for a whole year. The names and addresses of the children require to be written only once during the year. Price, 15 cents.

2. "The Sabbath School Record," for use by the superintendent or Secretary. This Record, to be filled up each Sabbath from the Teachers' "Class Register," has columns to correspond with those of the "Class Register," in which a permanent record is kept of the School Attendance, Recitation, Church Attendance and Contributions of all classes. And from this "Record" the Quarterly and Annual Reports are to be filled up. Price, for a book to last one year, in paper covers, 35 cents; quarter bound, 50 cents.

3. "The Quarterly and Annual Sabbath School Summary and Report," to be filled up from the preceding at the end of the quarter and the year. This will show, at a glance, the statistics and results of each quarter and the whole year. It consists of two parts: a Summary to be retained in the School, and a Report to be torn off at the end of each quarter and of the year, and sent to the Convener of the K. S. Committee of the Presbytery in which the School is situated. The work of reporting, by the adoption of this system, will go on during the whole year, and the Presbytery's Convener thus be in constant communication with all the Schools. Price of this Summary and Report in a book to last four years, in paper covers, 25 cents; quarter bound, 40 cents.

4. "The Sabbath School Register and Quarterly Record," to be used by the Convener of the Presbytery's S. S. Committee. This contains columns in which the names of all the Schools of the Presbytery, and the Quarterly and Annual Reports may be registered; and it will afford the materials from which the Presbytery's Annual Report to the Synod and Assembly may be prepared. The price of this, in a book to last for nine years (i. e., in those Presbyteries where one page will contain all the Schools) will be quarter bound, \$1.25; half bound, \$1.75.

N.B.—To Schools ordering a set, a discount of ten per cent. will be allowed. This system does not claim to be perfect, and suggestions for its improvement will be gladly received by the Assembly's Committee (REV. DA. JARVIS, Brockville, Convener).

Tenders Wanted.

WELLAND CANAL ENLARGEMENT. NOTICE TO CONTRACTORS.

SEALED TENDERS addressed to the undersigned and enclosed "Tender for the Welland Canal" will be received at this office until the arrival of the Eastern and Western Mails on MONDAY, the 25th day of JANUARY next (1886), for raising the walls of the locks, weirs, &c., and increasing the height of the banks of that part of the Welland Canal between Port Dalhousie and Thorold, and for deepening the Summit Level between Thorold and Ramez's Head, near Hamaburton.

The works, throughout, will be let in Sections. Maps of the several localities, together with plans and descriptive specifications, can be seen at this office on and after MONDAY, the 11th day of JANUARY next (1886), when related forms of tender can be obtained. A list of information relative to the works north of Allanburg will be furnished at the Resident Engineer's Office, Thorold; and for works south of Allanburg, plans, specifications, &c., may be seen at the Resident Engineer's Office, Fergus.

Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and, in the case of firms, except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque for the sum of Two Thousand Dollars or more—according to the extent of the work on the section—must accompany the respective tenders, which sum shall be forfeited if the party tendering declines entering into contract for the works, at the rates stated in the offer submitted. The amount required in each case will be stated on the form of tender.

The cheque or money thus sent in will be returned to the respective parties whose tenders are not accepted.

This Department does not, however, bind itself to accept the lowest or any tender.

A. F. BRADLEY, Secretary.
