It was very Rank.

Yes, it was rank and it an importation too. We are afflicted with many rank importations and nowhere is it more noticeable than in the cigars we smoke. Many of us have already learned that Tasse, Wood & Co., manufacture a better cigar than any imported, and selling at \$150 per thousand wholesale. The "Rosebud" you know—fifteen cents, or two for a quarter—is the brand. Compare it with the imported article and you will like it much better.

Toronto Live Stock Markets.

Cattle—Receipts were heavier than usual for this season of the year. The run to-day was composed chiefly of very good heavy cattle for the British markets and stockers. Export cattle found a good demand but at slightly easier prices. The best sale was a load of 1,387 lb average steers at a shade less than \$5.00 per cwt. Most of the business was done at \$3.75 to \$4.40 per cwt., for cattle weighing 1,150 to 1,300.

Stockers were steady. The export demand continued almost at a standstill. There are still 400 head on pasture waiting for a boat. By Tuesday there should be a good demand here for more on a basis of \$2.50 to \$3.50 per cwt for steers and \$2 to \$3 for bulls. For the distillery stables there were several purchases at about these quotations.

Springers were in better demand, cables from Scotch markets being favorable for good quality. All offered to-day sold readily. One choice late springer sold at \$53; 2 went at \$52.50 each; 7 at \$42 and 7 at \$38. Others sold at \$35 to \$50.

Butchers' cattle sold fairly well, but the market was slightly easier. Very few picked cattle touched 4c. Most of this grade went at 3½ to 3¾c. Loads averaged 3½ to 3¾c; while common quality went at 2½ to 3¾c—*Empire*.

Wyld, Grassett & Darling, wholesale dry goods, Toronto, have arranged with D. Henderson, who has resided in Winnipeg for the past summer, to represent their house in Manitoba, the territories and British Columbia. The Toronto firm is fortunate in securing the services of Mr. Henderson, who is a thoroughly posted dry goods man. Mr. Henderson was formerly connected with the Toronto wholesale dry goods trade, and he has had experience in this branch as buyer, travelling salesman, and also in the retail trade. Representing such a leading house as Wyld, Grassett & Darling, he will no doubt be able to do good work in the west. From personal acquaintance THE COMMERCIAL can recommend Mr. Henderson to the western trade, as a gentleman worthy of every confidence.
