Manitoba.

Active preparations are being made for the celebration in Winnipeg on a large scale, of Labor day, on September 6.

Bromley & Co., tent and mattress manufacturers, Winnipeg, report that they have been very busy during the past couple of months, their usual trade having been increased by several large orders from contractors for railway construction work.

Grading on the Dauphin railway has now been completed to Lake Winnipegosis, near the mouth of Mossy river. Track-laying will be complete in about a month.

Mr. Perret has opened a jewelry and watchmaking establishment at Minnedosa.

Barlow & Conley, contractors, Kilbarney, have dissolved partnership.

J. W. Peck & Co., wholesale clothing, Winnipeg, have made a shipment of goods to the Yukon country.

A. J. McPherson has bought out the hardware stock of Cardiff & McLean, of Dauphin, and will continue the business.

Fort William, Aug. 9.—About 200 men have passed through to work at ballasting and preparing the main line of the C. P. R. between Rat Portage and here for the fall rush.

MICHEL LEFEBVRE & CO.

The announcement of the suspension of Messrs. Michel Lefebvre & Co., vintager manufacturers, was received with great regret by mercantile men, as everyone was watching their gallant efforts to pull through the difficulties caused by the failure of La Banque du Peuple. As will be remembered the firm was seriously embarrassed in by suspension of the bank, and agreed to pass over a large amount of their real estate in order to protect the liquidators of the bank. This naturally hampered them, and since that period have been endeavoring to regain lost ground in the face of hard times. The liabilities are said to be about \$200,000, but it is believed that the creditors will receive payment in full.—Commercial Gazette.

Toronto, Aug. 9.—At a meeting of creditors of J. W. Bachrack & Co. today a statement was presented showing a deficit of \$32,000 on liabilities of \$65,000, but the deficit will be larger than this as most of the assets consist of stock which will bring but a low figure at forced sale. Bachrack told the creditors that but a few days before failure he had paid \$5000 to his mother-in-law. No regular books were kept by the firm and the accounts are in such a state that Assignee Clarkson is not able to say how the deficit comes to exist.
