### New Publications.

#### Canon and Text of the Old Testament.

By Dr. Frantz Buhl, Professor of Theology at Leipzig. Translated by Rev. John Macpherson, M.A. Price \$2.50.

"Students will find this an extremely useful book. There is not a subject connected with the Old Testament, its history and condition, on which it does not afford all needful information. It is written with great clearness and commendable brevity, and is by far the best manual that exists on the subjects of which it treats. Dr. Buhl supports the conclusions drawn with a wealth of references to litera ure which leaves nothing more to be desired."—A. B. Davidson, D.D., in the *Expositor*.

#### An Introduction to the Literature of the Old Testament.

By S. R. Driver, D.D., Regius Professor of Hebrew, and Canon of Christ Church, Oxford. Third edition, net \$3.00.

"The service which Canon Driver's book will render in the present confusion of mind on this great subject can scarcely be over-estimated."—*The Times*.

#### The Life of our Lord upon the Earth.

Considered in its Historical, Chronological and Geographical relations. By Rev. Samuel J. Andrews. A new and revised authorized edition, \$2.50.
