

ANTIDIPHThERITIC SERUM

PACKAGE A - BULB SYRINGE CONTAINER

PURITY! POTENCY! CONVENIENCE!

PARKE, DAVIS & Co.'s ANTIDIPHThERITIC SERUM is world-renowned for its purity and potency. It is prepared with extraordinary care. It is rigidly tested. It is put up in hermetically sealed glass containers, effectually preserving it from contamination.

EVERY PACKAGE A STERILE SYRINGE.

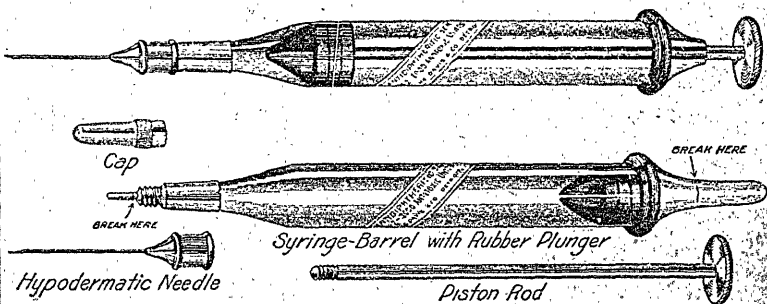

Our ready-to-use bulb and piston syringes are the most practical and satisfactory of their kind. They are strictly aseptic and easily operated.

ALWAYS SPECIFY PARKE, DAVIS & CO. AND GET THE BEST.

(Package A supplied on unspecified orders.)
