60 Yonge St., Toronto.

The Question

anyone who wants an optician will first ask you is—"Are you a graduate of the Optical Institute of Canada?" If you are, you will get the situation; if you are not, employers will want further proof than your own statement that you know your business.

Every high salaried optician in Canada is one of our Students. You will only take one course in optics. Be sure you get it right by taking the best course.
