Toronto, March, 1850.

THE FARMER'S PAPER THE CANADIAN AGRICULTURIST.

The best and cheapest Farmer's paper published in Canada, and the only one now published in Upper Canada.

THE second volume of the Agriculturist, in its present form, commences January 1850. It is issued monthly, and contains 24 pages, double columns, imperial octavo. During the present year, the advertising sheet will be dispensed with. It will contain numerous illustrations of Machines and Farm Implements, Farm Houses and Cottages, &c., Plans for School Houses, and Diagrams in explanations of questions in mechanical science, and natural philosophy.

Great care will be taken in the selection of matter, whether relating to Agriculture, Horticulture, Mechanics, Domestic Economy, Education, or general Science.—Several intelligent practical farmers and gardeners have promised correspondence, and the editors will be happy to receive communications from all their subscribers.—Such as are of interest will be freely published. Two or three gentlemen of high scientific attainments (one of whom is connected with the University) have agreed to contribute to the columns of the Agriculturist.

Farmers, subscribe and pay for your paper, and then write for it; all parties will thus be pleased and benefited.

The Agriculturist is devoted to the development and advancement of the real interests of Canada. Much good has already been done by this paper, and those which preceded it, and of which it is a continuation. But the proprietors of the Cultivator, and the other papers alluded to, suffered great loss; and the proprietors of the Agriculturist have, so far, been out of pocket, besides the time, labor and anxiety spent in its publication. Is the reproach that the farmers of Canada will not support an agricultural paper of any kind, to continue? We hope not. Let those who love their country, and desire its improvement, make a little more effort this year, and the reproach may be wiped out forever.

As an inducement to extra exertion, we offer the following Premiums:

ONE HUNDRED DOLLARS! SEVENTY-FIVE DOLLARS! FIFTY DOLLARS!

Every person who will procure 200 subscribers for the Agriculturist, at the subscription of ONE DOLLAR, and remit the money at the time of ordering the paper, will be paid \$100; for 160 subscribers, \$75; for 120 ditto, \$50; for 75 ditto, \$30; for 60 ditto, \$25.

Agricultural Societies, and those persons who obtain paper through the society, are excluded from the above. As we have no travelling agents, the terms are open, and accessible to all, with the exception just mentioned. No papers will be sent unless the subscription accompanies the order, until the smallest number [60] is realized; after that one-half the price may be retained by the competitor, till the completion of the list—which he intends to forward. Who will try? Where is the township of Canada West, in which no young man can be found willing to spend two or three weeks this winter to win at least the \$25 prize?

Agricultural Societies ordering 25 copies and upwards, will be supplied at half a dollar; twelve copies and upwards, 3s. 9d. Single subscriptions, one dollar. Local Agents, who will procure over three subscribers and remit us the subscription, free of postage, will be allowed 25 per cent.

GEORGE BUCKLAND, Secretary Agricultural Association, Principal Editor, assisted by WILLIAM McDougall, Proprietor.

All letters should be post-paid, and addressed "To the Editors of the Agriculturist, Toronto."
