

# Twin Beds

of BRASS have supplanted the old-fashioned double bed among the better classes in England—the change being largely due to the advice of scientific men and physicians.

**'Tis poison to breathe again the human breath.**

Twin Beds prevent such dangerous inhalations.

These metal bedsteads do not harbor vermin, they add beauty and cheerfulness to the bedchamber, while there is about them a delightful feeling of cleanliness which invites repose. The metal in **our** beds never tarnishes in any climate
