NO AGENTS! NO COMMISSIONS!

The system of employing Agents or Commissioners at a high commission has been strictly abandoned by us, it having proved very unsatisfactory to both ourselves and customers. In future we will sell our

Pianofortes and Organs AT NET WHOLESALE PRICES.

Direct to purchasers. In this way buyers of Pianos and Organs will save from twenty to forty per cent. by dealing directly with us, and, moreover, far better satisfaction can be guaranteed.

We claim to sell the best Instruments to be had, and at the lowest prices consistent with first-class articles.

The cash system enables us to sell at a very small advance on cost of manufacture, although to honest and reliable parties we do not object to allow a reasonable time for payments.

Parties ordering by mail can rely upon getting as fine an Instrument as if personally selected by themselves. Any Organ or Piano not found exactly as represented can be returned to us at our expense. We refer with pleasure to over Fifteen Hundred Pianos and Organs sold by us the last ten years.

Thankful for the very liberal patronage accorded us hitherto, we can only say that we will continue our endeavours to thoroughly satisfy our customers in all their dealings with us.
