The Remarkable Cure of a Long-Time Sufferer-Rheumatism of Ten Years' Standing Permanently Cured-A Story Full of Interest to all Other Sufferers.

Sunday Morning News, Montreal.

Impressed with the persistency with which the most astonishing accounts of cures effected through the agency of Dr. Williams' Pink Pills for Pale People in almost all the newspapers of Canada and the United States, a reporter for The Sunday Morning News, to satisfy himself generally of the genuineness of these cures, determined to investigate a case for himself, which had recently been brought to his notice, where the cure was claimed to be due entirely to the efficacy of this medicine. Aware that Dr. Williams' Pink Pills had been tried in the case of a gentleman residing at 709 Sherbrooke street, in the City of Montreal, who had for years been afflicted periodically with rheumatism, the reporter set out on a journey of inquiry to ascertain what the result had been. Arriving at the home of Mr. Granville, the gentleman referred to, he found him ap-

parently enjoying perfect health.

"You don't look as though you had been suffering a great deal lately, Mr. Granville, said the reporter, accepting the invitation of his host to be seated.

Well, no, you would scarcely suppose from my present appearance and activity that I had just recovered from a most acute attack of chronic rheumatism, which kept me in bed for over two weeks. You see," continued Mr. Granville, "I am an habitual sufferer from rheumatism, or at least I have been for ten years past, and although I have tried almost every remedy it has only been since recently that I have found anything to do me good. It is now about ten years since I first became afflicted with this painful disease, and when it began to come on, having never experienced it before, I was at a complete loss to understand what it was. It was in Chicago that I had my first attack, and I remember the circumstances very well. While walking on the street I was suddenly seized with a violent pain in my left knee, which continued to grow worse until I could walk no longer, and was compelled to call a cab and be driven home. Once there I took to my bed and did not leave it for ten days, being totally unable to move my leg without experiencing the most excruciating pain, which nothing I could got seemed to relieve."

"Did you not have a doctor?" asked

the reporter. "Oh, yes; but he didn't seem to do me much good. He wrapped the limb in flannels and gave me some decoction of salicylic acid to swallow. But it was of no avail. Each year as winter passes into spring I have been seized with this painful disease and laid out for some weeks, nor have I been able until lately to obtain anything which would even help me a little. You would not believe it if I were to recount the various patent remedies which I have taken both externally and internally during all that time in an endeavor to obtain relief. must have tried a hundred so-called A SIMPLE WAY TO HELP POOR cures, and never experienced any beneficial results until I came across Dr. Williams' Pink Pills. I must frankly confess that at the outset I had no great faith in the pills. I had tried so many medicines, all to no purpose, but I was willing to give them a trial anyway, so I sent out to the drug store on the corner and got a supply. I followed the directions carefully and soon experienced relief, and before I had been taking the Pink Pills long I was able to get out of bed, and although I was still a little stiff, the pain had almost completely disappeared. I am still taking the pills, and shall keep on taking them for some time, and furthermore I don't intend to be without them in future."

"Then you ascribe your relief entirely to the efficacy of Dr. Williams' Pink Pills," suggested the reporter.

"I most certainly do, and Mr. Curtis, the druggist, on Bleury street, will verify what I have said."

The reporter next visited Mr. H. H. Curtis, the druggist referred to, whose

place of business is at 291 Bleury street, and interrogated him with reference to the case. Mr. Curtis stated that he knew of Mr. Granville's ailment and that he had suffered for years, and he had no doubt Pink Pills did all Mr. Granville said. He further said that Pink Pills had a very large sale, and gave universal satisfaction. The reporter then withdrew, quite satisfied with the result of his investigation.

The Dr. Williams' Pink Pills for Pale People are manufactured by the Dr. Williams' Medicine Co., of Brockville, Ont., and Schenectady, N.Y., a firm of unquestioned reliability. Pink Pills are not looked upon as a patent medicine, but rather as a prescription. An analysis of their properties show that these pills are an unfailing specific for all diseases arising from an impoverished condition of the blood, or from an impairment of the nervous system, such as loss of appetite, depression of spirits, anæmia, chlorosis or green sickness, general muscular weakness, dizziness, loss of memory, palpitation of the heart, nervous headache, locomotor ataxis, paralysis, sciatica, rheumatism, St. Vitus' dance, the after effects of la grippe, all diseases depending upon a vitiated condition of the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, suppressions and all forms of female weakness, building anew the blood and restoring the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of any nature. These pills are not a purgative medicine. They contain only life giving properties and nothing that could injure the most delicate system. They act directly on the blood, supplying to the blood its life-giving qualities, by assisting it to absorb oxygen, that great supporter of all organic life. In this way the blood becoming built up and being supplied with its lacking constituents, becomes rich and red, nourishes the various organs, stin ulates them to activity in the performance of their functions, and thus to eliminate disease from the system.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper (printed in red ink). Bear in mind that Dr. Williams' Pink Pills for Pale People are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also cau-tioned against all other so-called blood builders and nerve tonics, put up in similar form intended to deceive. They are all mitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Dr. Williams' Pink Pill for Pale People and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from the Dr. Williams' Medicine Co. from either address, at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.
