International & Colonial Exhibitions.
ANTWERP IN 1885—LONDON IN 1886.

It is the intention to have a Canadian representation at the International Exhibition at Antwerp, commencing in May, 1885, and also at the Colonial and Indian Exhibition in London in 1886.

The Government will defray the cost of freight in conveying Canadian exhibits to Antwerp, and from Antwerp to London, and also of returning them to Canada in the event of their not being sold.

All exhibits for Antwerp should be ready for shipment not later than the 1st week in March next.

These exhibitions, it is believed, will afford favorable opportunity for making known the natural capabilities, and manufacturing and industrial progress of the Dominion.

Circulars and forms containing more particular information may be obtained by letter (post free) addressed to the Department of Agriculture, Ottawa.
