kilns some 2,000,000 bricks per month, but a
new brick-making company is to begin there.RAILS have been laid on the Orford Moun-
tain railroad some distance north of Eastman
by the Mill company, which intends to utilize
the road.THE Chignecto Post says that the Amherst
Boot and Shoe Co. and Messrs. Rhodes, Curry
& Co. will send exhibits of their manufactures
to the Jamaica exhibition. We expect to hear
that Harper & Webster, of Shediac, will do the
same.IN St. Stephen, N.B., a dissolution has taken
place between Wm. F. Vroom and Edwin G.
Vroom, doing business as furniture manufac-
turers under the style of Vroom Brothers. The
concern will be carried on by Edwin G. Vroom
under the same firm name as before.THE sales of "Maple Leaf" salmon this
season seem to have been very large. We are
told that they were almost double that of last
year. The value of the salmon amounts to
about \$40,000. The freight alone on the 25
car loads brought from the coast, amounted to
\$5,400. This brand seems to be popular with
the consumers.AN American merchant gives his views as
to the proper way of sweeping a store, which
may be worthy the attention of some mer-
chants: "We do not use a leaky old sprink-
ling pot to sop the floor all over in puddles
when we sweep. No, sir! We have wet saw-
dust, and I put a row of it across one end of
the store and sweep that right along to the
other end, just like a regiment marching
across a ten acre lot. It catches all the dirt
and carries it along. If it gets a little dry, I
add some more. Some folks scatter sawdust
all over the floor, but that's no good; the rea-
son for using sawdust is to avoid wetting the
floor all over and to have something that will
absorb the dust."**REMOVAL.****Remington Standard Typewriter**
