

calf-splits, 32 to 38c.; calfskins (35 to 40 lbs.), 50 to 60c.; imitation French calfskins, 65 to 80c.; russet sheepskin linings, 30 to 40c.; harness, 23 to 29c.; buffed cow, 12½ to 15c.; pebbled cow, 12½ to 15c.; rough, 20 to 25c.; russet and bridle, 45 to 55c.

METALS AND HARDWARE.—No more movement can be reported in these lines than a week ago; indeed the rise in inland freights seems to have effectually checked the movement for the present. In the almost absence of transactions, local prices are unchanged, but are fairly steady. We hear of a small sale of Summerlee pig at \$24. Tin and Canada plates, and other metals, present no new features. In Glasgow, since last writing, warrants went up to 52s. 8d, but went rapidly down to 51s. 2d, doubtless due to the great stringency in the money market. At latest cable they had recovered to 51s. 7d. Makers' prices are steady, and Gartsherrie, Coltness and Glengarnock are not being quoted at all. We quote:—Coltness, no stock to import, \$24.00; Calder, No. 1, \$23.00; Calder, No. 3, \$21.50; Summerlee, \$23.00 to \$24.00; Eglinton \$20.00 to 21.50; Gartsherrie, \$23.00; Carnbroe, \$21.50 to \$22.00; Shotts, \$22.50 to 23.00; Middlesboro, none here; cast scrap railway chairs, &c., \$20.00; machinery scrap, \$19.00 to 20.00; common ditto, \$13; bar iron, \$2.25 to 2.80 for Canadian, British \$2.50; best refined, \$2.75. The products of the Londonderry Iron Company we quote as follows: Siemens' pig No. 1, \$23.00; Acadia bar, \$2.20; Siemens' bar, \$2.35; these figures for round lots. Canada Plates—Blaina, \$3.10; Swansea, \$3.10; Penn, \$3.25. Terne roofing plate, 20x28, \$8.00 to 8.25. Black sheet iron, No. 28, \$2.80. Tin plates—Bradley charcoal, \$6.50 to 7; charcoal I.C., \$4.75 to 5.00; do. I.X., \$5.25 to 6.00; coke I.C., \$4.50; coke wasters, \$4.25; galvanized sheets, No. 28, ordinary brands, 5½ to 5¾c.; Morewood, 7c.; tinned sheets, coke, No. 24, 6¾c.; No. 26, 7c.; the usual extra for large sizes. Hoops and bands, per 100 lbs., \$2.70 to 2.75; Staffordshire boiler plate, \$2.80 to 3.00; common sheet iron \$2.75 to 2.90 according to gauge; steel boiler plate, \$3.00; heads, \$4.00; Russian sheet iron, 10½ to 11c.; lead per 100 lbs., pig, \$4.00 to 4.25; sheet, \$4.75; shot, \$6 to 6.50; best cast steel, 11 to 12c.; spring, \$2.50; tire, \$2.50 to 2.75; sleigh shoe, \$2.50 to 3.00; round machinery steel, \$3.25; ingot tin, 25c.; bar tin, 26c.; ingot copper, 16½ to 17c.; sheet zinc, \$6.50 to 7.00; spelter, \$6.25; antimony, 00 to 20c.; bright iron wires

Nos. 0 to 8, \$2.75 per 100 lbs.; annealed do., \$2.75. Coil chain, ¼ inch, 5½c.; ½ in., 4½c.; 7-16 in., 4½c.; ½ in., 4½c.; ¾ in., 3½c.; 1 in., 3½c.; 1½ in., and upwards, 3½c.

OILS, PAINTS, AND GLASS.—Turpentine is up two cents in the South, with reported scarcity of stock, and we quote now at 62 to 63c. linseed oil still 69 to 71c. for boiled, and the usual 3c. per gal. less for raw. Steam refined seal oil is being concentrated into the hands of one concern, and is very firm at 55c. in jobbing lots; Nfld. cod oil 40 to 41c.; castor and olive oils without change; leads and glass as before. We quote:—Leads (chemically pure and first-class brands only) \$6; No. 1, \$5 to 5.50; No. 2, \$4.75; No. 2, \$4.50; dry white lead, 5½ to 6c.; red do., 4½c.; London washed whiting, 50c.; Paris white, 90c. to \$1; Cookson's Venetian red, \$1.60 to 1.75; other brands

of Venetian red, \$1.40 to 1.60; yellow ochre, \$1.50 to 1.75; spruce ochre, \$2.25 to 2.50. Window glass, \$1.50 per 50 feet for first break, \$1.60 for second break; 5c. off for 100 box lots.

TORONTO MARKETS.

TORONTO, Nov. 13th, 1890.

BOOTS AND SHOES.—Business with the factories is on the quiet side; they are busy preparing spring samples, which will now be soon in the hands of their representatives. Prices will be modified a little, manufacturers claiming that leather will be cheaper in the near future and in some cases, at the present time, they have had offers from tanners under market quotations. The chief activity, now, is in rubber goods.

DRUGS.—Business in this line is said to be very fair, but payments a little slow. There is no change in prices to note, and values show no disposition to get easier. Silver is fluctuating up and down this week, which affects nitrate of silver and other silver preparations.

DRY GOODS.—The continued mild weather is affecting the volume of business being done

THE UNIVERSAL VERDICT

Here is a sample from a large farmer, MARSDEN SMITH.

BRUSSELS, Nov. 8, 1890.

I enclose \$63, second payment on chopper. I certainly never paid for anything more cheerfully than I pay for this 30 INCH MILL. It surpasses my expectation every way, and is beyond the representations of your agents. It does seem to me it must require a wonderful stretch of conscience for these Iron Plate Machine fellows to claim they have the best chopper on earth. Surely they never saw your Standard Mill running.

Mr. Smith had an Expensive Iron Plate Mill previous to the Standard.

The Wholesale Dry Goods' Section of the Board of Trade of the City of Toronto.

SECRETARY'S OFFICE,
TORONTO, October 15th, 1890.

INSURANCE AGREEMENT.

To Whom it May Concern:

WHEREAS, the losses sustained by fire having been found to be most serious, and an evil requiring united action, the Wholesale Dry Goods' Trade have agreed that they will not consent to, or accept, any compromise from their customers when it is found that the failure has been caused through insufficient insurance.

And in furtherance of this object they have agreed that the minimum amount of insurance on the stock, chattels and buildings must be at least 100% sixty per cent. of their value, under this agreement.

By order.
