ST. JOSEPH ST. | MONTREAL.**Mercantile Summary.**CARS, built in Cleveland, have arrived in  
Kingston for the street railway.THE decline in the traffic earnings of the  
Grand Trunk Railway for the last half year was  
£130,000.THE Gardiner Mines were sold at Sydney, C.  
B., by the Sheriff, for forty-one thousand two  
hundred and fifty dollars, to the Bank of Mont-  
real.FENELON township treasury was robbed last  
week of a thousand dollars \$400 reward is offer-  
ed, half by the treasurer and half by the town-  
ship council.THE Commercial Insurance Company, of  
Yarmouth, N. S., took, in gross premiums last  
year, \$100,000, and has a balance to credit on  
the year of \$38,000, which will pay \$250 per  
share.THE bonus of \$5000 given by Listowell to  
the Stratford & Lake Huron R. R. was, we are  
asked to explain, previously voted to the road  
north of that place, but it has been concluded  
to give it to the southern portion of the road, to  
which \$10,000 bonus has already been given.In admitting the fact that the export of thread  
and flax goods from France to the United  
States has fallen off during late years, one of  
the French workmen, who were delegates sent  
by the French Government to report as experts  
upon the exhibit at Philadelphia, Mr. Louis  
Chatel, says that Messrs. Barbour Brothers,  
whom he calls the best flax thread makers in  
the United States, produce coloured threads  
whose strength is not lessened by the chemical  
properties of the dye, and that for evenness and  
strength nothing better is made either in Great  
Britain or France.
