WELCOME GUEST

Dealers and Breeders, do not fail to make use of the possibilities this big sale will offer to all prospective buyers. Colony Farm imported direct from Scotland the foundations of its great collection of horses, and now offers to the Public, Clydesdales and Shires unequalled on the American Continent.

In their breeding is incorporated all the noted strains of Scotland, with the result that we have obtained size, conformation and quality of the true Clydesdale and Shire types.

Complete Catalogues showing photographs and extended pedigrees of animals mailed on application to

Colony Farm Office, Essondale, B. C.
