Maintenance, Repair and Servicing of Manufactured Goods

19

<u>Estimates (1977)(partial):</u>	Payments	no separate data
(\$ millions)	Receipts	14.1

Comments : Payments and receipts of this type are included under "expenditures in foreign ports by Canadian shipping operators", "expenditure in Canadian ports by foreign shipping operators", plus airline expenditure and several classifications of business services in the Balance of Payments. Respondents are not asked to report maintenance and repairs separately. A separate estimate is made for "ship repairs n.e.i." in the Balance of Payments and that partial figure is reported here.
