## IMPORTS OF COFFINS

Question No. 1,202—**Mr. Towers:**

What was the dollar value of coffins imported from the U.S. or any other country during 1972?

**Mr. Herb Breau (Parliamentary Secretary to Minister of Industry, Trade and Commerce):** Statistics Canada reports that: The dollar value of coffins imported from the United States during 1972 was \$388,000. Coffins were not imported from other countries during 1972.

## OFFENCES COMMITTED BY PERSONS FREE ON BAIL

Question No. 1,204—**Mr. Stackhouse:**

1. How many offenders were released on bail in 1972?
2. How many were subsequently charged with offences allegedly committed while they were on bail?

**Mr. Herb Breau (Parliamentary Secretary to Minister of Industry, Trade and Commerce):** Statistics Canada reports that: Statistics Canada did not collect the information requested in this question for 1972.

## SALARIES OF STATISTICS CANADA OFFICIALS

Question No. 1,205—**Mr. Knight:**

What are the salaries for the following Statistics Canada staff for the year 1973 (a) Assistant Chief Statistician responsible for business statistics (b) Assistant Chief Statistician responsible for household and institutional statistics (c) Assistant Chief Statistician responsible for economic accounts (d) Assistant Chief Statistician responsible for statistical services (e) Assistant Chief Statistician responsible for marketing services (f) Director-General for administration (g) Director-General for policy, planning and evaluation?

**Mr. Herb Breau (Parliamentary Secretary to Minister of Industry, Trade and Commerce):** Statistics Canada reports that: Salary ranges for the following Statistics Canada staff for the year 1973 are: (a) Assistant Chief Statistician responsible for business statistics, \$28,000 to \$35,000; (b) Assistant Chief Statistician responsible for household and institutional statistics, \$28,000 to \$35,000; (c) Assistant Chief Statistician responsible for economic accounts, \$28,000 to \$35,000; (d) Assistant Chief Statistician responsible for statistical services, \$28,000 to \$35,000; (e) Assistant Chief Statistician responsible for marketing services, \$25,000 to \$31,000; (f) Director-General for

[Mr. Breau.]

Administration, \$25,000 to \$31,000; (g) Director-General for policy, planning and evaluation, \$25,000 to \$31,000.

## SEA ISLAND—VANCOUVER INTERNATIONAL AIRPORT—RECOMMENDATIONS OF HEARING OFFICER

Question No. 1,212—**Mr. Reynolds:**

Were any of the recommendations of the hearing officer (Fisher) on the Lancaster area hearings (Sea Island-Vancouver International Airport) accepted and, if so, what were they?

**Hon. Jean-Eudes Dubé (Minister of Public Works):** No recommendations were made by the Hearing Officer. The Expropriation Act recites the Duties of the Hearing Officer in Section 8 (4) and requires that he "submit to the Minister a report in writing on the nature and grounds of the objections made."

## VICTORIA INNER HARBOUR—WINTER WHARFAGE

Question No. 1,214—**Mr. McKinnon:**

Has it been decided that the winter wharfage for the fishing fleet in Victoria Inner Harbour is to be phased out and the operation moved to Sooke Harbour and, if so, is it the intention of the Minister of the Environment to review the matter, giving cognizance to the views of the Mayor and Council of Victoria and the Pacific Trollersmen who want the wharfage increased in Victoria Inner Harbour?

**Mr. William Rompkey (Parliamentary Secretary to Minister of Fisheries):** It has not been decided nor are there any plans that the winter wharfage for the fishing fleet in Victoria Inner Harbour be phased out and the operation moved to Sooke Harbour.

## ESTABLISHMENT OF POSTAL DELIVERY SERVICE IN WINDSOR MUNICIPALITY

Question No. 1,216—**Mr. Beaudoin:**

1. Is the Post Office Department considering the possibility of establishing a postal delivery service in the Municipality of Windsor and, if so (a) what criteria are required by the Department for the establishment of such service (b) what steps are to be taken by the Department until this service is actually in operation?
2. According to the Department, if the Municipality of Windsor meets the required standards, what is the approximate date on which this postal delivery service will be instituted?
3. Does the Post Office Department consider the present Windsor Post Office adequate to meet the new role it will be given if the Municipality's request is accepted?
4. Is the Post Office Department considering the possibility of recommending the enlargement of the Windsor Post Office if the Municipality's request for postal delivery service is accepted and, if so, what will be the nature of this construction or alteration of the present Post Office?

**Hon. André Ouellet (Postmaster General):** 1. Yes. A preliminary survey is to be conducted later this month to determine whether the area qualifies for this service. 1. (a) The principal requirement is the availability of at least 2,000 points of call in a compact, well built-up area. Subsidiary conditions are: 1. Walking conditions within the area must be satisfactory on a year round basis. 2. There must be access to the homes by means of pathways or driveways, where conditions under foot are deemed to be
