### GOVERNMENT ORDERS

[English]

#### BORROWING AUTHORITY ACT, 1984-85

##### MEASURE TO ESTABLISH

The House resumed from Tuesday, March 20, consideration of the motion of Mr. MacLaren that Bill C-21, an Act to provide borrowing authority, be read the second time and referred to the Standing Committee on Finance, Trade and Economic Affairs.

**Mr. Stan Darling (Parry Sound-Muskoka):** Mr. Speaker, I am pleased to be able to say a few words on Bill C-21. However, before I do so I would like to present an amendment to the motion for second reading of Bill C-21 as follows:

That all of the words after the word "That" be deleted and the following substituted therefor:

"this House holds the opinion that the granting of an authority for the borrowing of a sum greater than the amount required to meet the Government's needs to the end of the fiscal year is objectionable in principle and this House therefore declines to give second reading to Bill C-21, an Act to provide borrowing authority."
