Major-General Sir A.C. Macdonell, K.C.B., C.M.G.,
Royal Military College,
Kingston, Ont.

My dear Mac:-

If it is finally settled to hold a meeting of the Board of Visitors in May I shall be very glad to stay with you at the Commandant's House.

While it is a little early to state just yet what Lady Currie will do I know she always looks forward to those visits to Kingston and as I know also that she is very fond of Lady Macdonell and Miss Alison, I believe she will try to go. It may be that owing to her leaving for England early in June she may think she has too much to do. However, I shall let you know in plenty of time.

Yours faithfully,
