The "Wentworth,"

NEWCASTLE, N. H.

This Hotel will open June 25th. It has accommodations for 401 guests, and offers more attractions for pleasure and comfort than any other seaside resort in the country. Its high situation affords beautiful views, both inland and seaward, its healthful atmosphere, the easy manner in which it can be reached, its advantages for boating, bathing and fishing, excellent drives and attractive walks, all combine to make it one of the most charming places in New England.

Since last year extensive additions have been made, among them one hundred and fifty sleeping rooms, a spacious Music Hall for dancing, theatricals and concerts, Bowling Alleys, Billiard Room, a passenger elevator operated by steam, a large and commodious stable for private equipages, the grounds lighted by the electric light, and many other important changes have been accomplished. Steam Yacht for excursions, &c., &c.

The temperature of the bathing at the "Wentworth" is especially inviting to those unable to endure the shock incident to more exposed localities. An enclosed body of salt water, covering an area of fifty acres affords a safe and pleasant place for boating at all times for ladies and children. The drives to the neighboring beaches and other points of attraction in this vicinity are unsurpassed. The veranda, fifteen feet in width, surrounds the House, giving an extended promenade of over 1,000 feet in length, while the view is unequalled in beauty and grandeur.

An orchestra of twenty selected musicians, under the direction of Mr. John J. Braman, has been engaged for the season.

The House is furnished throughout in black walnut, has the best of beds, its sleeping rooms are of ample size, well ventilated, and from all sides of the House afford fine views. Its cuisine will be found of an unexceptional character. The "Wentworth" is situated three miles from Portsmouth, N. H., in the ancient town of Newcastle, and is reached from Boston in two hours' ride over the E. Railroad.
