### PATRIOTIC RALLY IN MARKHAM VILLAGE

Empire Day Celebration Held Under Unfavorable Weather Conditions.

#### CHILDREN'S PARADE

Mount Joy School Won Flag—Stirring Addresses Delivered.

Unfavorable weather conditions which existed yesterday failed to dampen the ardor of the 3000 men, women and children who gathered at the Empire Day patriotic rally in Markham Village. It was a memorable day in the history of the town, and the 1800 children packed in the grand stand vied with their seniors and the local band in the patriotic choruses.

The procession, made up of Markham Village, Markham and Scarboro Townships, under the command of Capt. H. S. Adam, formed at the school and headed by the band, marched to the fair grounds. The athletic program scheduled for the forenoon, was withdrawn, and following the choruses of the massed schools, stirring addresses were given by Prof. Abbott of Toronto University and Rev. Henry Hull of Toronto. Mrs. Latchford was in charge of the musical exercises. The handsome flag given for the best turnout of school children was won by Mount Joy.

The proceedings were in charge of A. D. Bruce and an efficient committee, and given favorable weather it was estimated that between 8000 and 10,000 would have been on the grounds.

### SHOULD REMOVE PLANT TO ELIMINATE NUISANCE

Opinion of Mayor Regarding Morley Avenue Sewage Disposal Plant.

That the removal of the entire sewage disposal plant at Morley avenue is the only way to remedy the nuisance is the opinion of Mayor Church. "There is nothing to do as far as I can see, except to remove the whole plant. There is no doubt that the place is a nuisance and that the objectionable feature cannot be moved without taking away the whole work." This comment was made by his worship yesterday after reading a letter from Messrs. Millar, Ferguson and Hunter, representing residents in the east end who have instructed them to take any necessary steps to have the trouble eliminated.

The letter concludes, "As the city created this stink cesspool nuisance, on behalf of the citizens who are obliged to inhale and smell it we ask that you abate it as soon as possible. If you fail in this duty that they think you owe them, we are instructed to take such steps as are open to ascertain if the city can foul the air they have to live with with noxious odors." The letter also referred to the report of Dr. Bell, provincial health inspector, in which the odor is characterized as "most disgusting" and a "menace to the public health."
