

**YOU ARE INVITED TO SHARE IN THE PROFITS OF THE
ENTERPRISE**

The name of the Company is the **Masset Fish Co. Ltd.**, and the purpose is that of fishing and dealing in all kinds of fresh, cured and smoked fish, principally halibut and spring salmon. The Company has secured valuable foreshore rights at Masset, for wharves, buildings, cold storage plants and other purposes. Arrangements have also been made for the lease of other properties needed in the business.

It is planned to run a steamer from Masset to Prince Rupert and at least one other point, carrying the freight of the Company, also passengers and other freight which it may be found possible to transport. For this purpose the S.S. *Alaskan*, a modern steamer of 147 tons, fitted with electric light and every convenience, has been purchased. This is now being renovated for better passenger service and greater speed. Arrangements are also being made for another boat to carry the fish from outside fishing stations to the wharves at Masset.

The amount of the present issue is 10,000 shares of \$1.00 each, issued at par. The purpose of the issue is to provide the Company with working capital. There are some important things about the stock of this Company that we ask you to bear particularly in mind.

1. There is no bonus stock.
2. The stock is non-assessable.
3. All shares are fully paid up and no additional calls will be made.
4. No salaries are to be paid to any officers.

You thus know that all your money invested is going into the actual enterprise. Those who are interested in the Company are practical men. Most of them are experienced in the fishing business. Among them is Mr. A. M. Tyson, widely known in both the wholesale and retail fish trade, and in the foreign trade as well. The Company is fortunate in having so much sound, practical experience back of it.
