

In the year	For principal.	For interest.
1884.....	\$2,000.....	\$700
1885.....	2,000.....	560
1886.....	2,000.....	420
1887.....	2,000.....	280
1888.....	2,000.....	140

Amount of
rateable
property.

And whereas the amount of the whole rateable property of the said municipality, irrespective of any future increase of the same, and also irrespective of any income in the nature of tolls, interest or dividends from the work, or from any stock, share or interest in the work upon which the money to be so raised or any part thereof is intended to be invested, according to the last revised assessment roll of the said municipality, being for the year one thousand eight hundred and seventy-eight, is the sum of six hundred and twenty-six thousand one hundred and ninety-two dollars ;

Existing debt
of the Town.

And whereas the amount of the existing debt of the said municipality is as follows : \$30,000 payable on the thirtieth day of July, 1892, with interest payable half yearly at six per cent. per annum ; \$3,150 payable in seven equal annual payments on the first day of July in each year, from the year 1878 to the year 1884, both inclusive, with interest payable half yearly at seven per cent. per annum ; \$8,000 payable in eight equal yearly payments on the thirty-first day of December in each year, from the year 1878 to the year 1885, both inclusive, with interest yearly at seven per cent. per annum ; \$25,000 payable in twenty annual instalments from the year 1877 to the year 1896, both inclusive, with interest at six per cent. per annum, no part of which principal or interest is in arrear ;

Rate to be
levied in each
year.

And whereas for paying the annual instalments, of principal and interest, to mature as aforesaid, and authorized by this by-law, it will require in addition to all other rates, to be levied in each year in the said Town of Strathroy, that an annual special rate of one and one-eighth mills in the dollar be levied in each and every of the following years : 1879, 1880, 1881, 1882, and 1883, and four and three-eighth mills in the dollar in the year 1884, and four and one-eighth mills in the dollar in the year 1885, and three and seven-eighth mills in the dollar in the year 1886, and
